Beatrix Potter is regarded as one of the world's best loved children's authors of all time. From her first book *The Tale of Peter Rabbit* published by Frederick Warne in 1902, she went on to create a series of stories based around animal characters including Mrs Tiggly Winkle, Benjamin Bunny, Jemima Puddle Duck, Mr Jeremy Fisher, and Tom Kitten. Her humorous, lively tales and beautiful illustrations have become a natural part of childhood. From the revenue from the sales of her books, Beatrix Potter bought a farm, Hill Top, in the English Lake District, where she later became a farmer and prize-winning sheep breeder. She launched the now vast merchandise programme by patenting the very first Peter Rabbit doll in 1903. The product range continues to grow today with licences around the world, including baby clothing and bedding, nursery decor, products and collectables. Upon her death, Beatrix Potter left 14 farms and over 4000 acres of Lake District farmland to the National Trust so that the place that she loved would remain undeveloped and protected for future generations to enjoy. Today, Beatrix Potter's original 23 tales are still published by Frederick Warne alongside a wide range of other formats, including baby books, activity books, and gift and sound books. Look out for Beatrix Potter's original series of classic tales published by Warne:
