Best Buy Nba Preseason Guide:

TV Guide, 2002 The Rough Guide to Florida Mark Ellwood, Todd Obolsky, Ross Velton, Rough Guides (Firm), 2004
Discover this exquisite region of the United States with the most incisive and entertaining guidebook on the market. Whether you plan to soak up the sun on Miami Beach, track down alligators in the Everglades, or dive amid vibrant coral reefs in the Florida Keys, The Rough Guide to Florida will show you the ideal places to sleep, eat, drink, shop, and visit along the way.

Pro Football Guide, 1993 Sporting News, 1993-07 *Sports* Donald L. Deardorff, 2000-09-30
This guide to the available literature on sports in American culture during the last two decades of the 20th century is a companion to Jack Higgins' *Sports: A Reference Guide* (Greenwood, 1982). The types of individual or team sports included in this volume include those that are viewed as physical contests engaged in for physical, emotional, spiritual, or psychological fulfillment. With a focus on books alone, chapters review the available literature regarding sports and each concludes with a bibliography. Academic journals likely to contain articles on the topics discussed are listed at the end of each chapter. Twelve chapters discuss sports and American history, business and law, education, ethnicity and race, gender, literature, philosophy and religion, popular culture, psychology, science and technology, sociology, and world history. This reference and guide to further research will appeal to scholars of popular culture and sports. An index and two appendixes are included: one listing important dates in American sports from 1980 through 2000 and one listing sports halls of fame, museums, periodicals, and websites. **TV Guide ... Index**, 1978 *Sports Capitalism* Frank P. Jozsa, 2017-11-28
The book focuses on how, when, where, and why the US-based professional sports leagues extend their brands and penetrate markets in nations across the globe. The book examines the strategies, progress, and expectations of each league despite the cultural, economic, and political barriers that exist between and within countries and areas. It offers a model of the sports business and where appropriate, the emergence, evolution, and growth of prominent women's sports leagues are documented. This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume. Readers such as college and university sports history, management, marketing, and international business professors, students, and researchers can use and apply the book as either a teaching supplement, reference, and/or literature source. It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism, such as sports entrepreneurs and league officials. **The Sporting News**, 1986-10 The Rough Guide to Florida Loretta Chilcoat, Rona Gindin, Mick Sinclair, 2002
From the Florida Keys to the theme parks, the beauty of the Everglades, and the excitement of Miami, this guide covers one of America's most popular states. With informed accounts and lively reviews, the guide lays bare the state's history, modern life, culture, and points of interest. Hundreds of places to eat, sleep, and drink to suit every taste are included, as is expert guidance on outdoor activities from swimming with dolphins to snorkelling in Florida's reef. **Arizona - Frommer's Travel Guides** Karl Samson, Arthur Frommer, Jane Aukshunas, 1998-10
