The First Season Bob Duff, 2017-10-03 The National Hockey League is celebrating its hundredth anniversary in 2017 but Bob Duff's *The First Season* reveals how close the league came to folding in its very first year. Set against the turmoil of the Great War and born out of a ruse to rid the league of reviled Toronto owner Eddie Livingstone, the new league suffered from a series of crises from a shortfall of quality players due to military conscription to rival leagues and divided fan loyalties to the burning down of the Montreal Arena that was home ice to two teams. But despite all this, the league survived and became the worldwide standard for competitive hockey. With chapters devoted to the first ever NHL playoffs and Stanley Cup championships in addition to team and player profiles and vintage black and white photos, Duff's *The First Season* is essential reading for every hockey fan, providing real insight about the first generation of hockey heroes. *Hockey Card Price Guide and Alphabetical Checklist* Beckett Publications Staff, 1998-02 [The Toronto Maple Leaf Hockey Club](#) Kevin Shea, Jason Wilson, 2016-10-18 Published in partnership with the Toronto Maple Leafs and officially licensed by the NHL, this is the one and only official Toronto Maple Leafs Centennial publication. The Toronto Maple Leafs are one of the most storied franchises in all of sport and without question the most recognized team in all of hockey. Through this journey of a hundred years of Maple Leaf hockey, fans will read of ups and downs, triumphs and tears, laughter and laments. This publication tells the Leafs' complete history and introduces fans to coaches as well as such legends as Apps and Armstrong, Kennedy and Keon Broda and Bower, Salming and Sundin, but also players who wore the Blue and White and left far more modest legacies. It takes fans to Toronto's first game, the construction of Maple Leaf Gardens and subsequent move to the Air Canada Centre. It celebrates Toronto's Stanley Cups and Hall of Fame players and demonstrates that through each exciting season, the Toronto Maple Leafs have forever remained our team and enjoyed the incredibly loyal support of a nation of fans. Published in complete partnership with the Toronto Maple Leafs and scheduled to release as the Leafs enter their 100th season, this official centennial publication includes contributions from many of the biggest names in Leaf history. Author Kevin Shea gained unprecedented access to players past and present as well as team executives to offer this book the most compelling, informed, and accurate portrayal of Toronto's historic hockey team and their important place in both the world of hockey and the culture of Canada. Combined with incredible archival photographs and a truly incredible design, this is the definitive and must-have book for fans of the Blue and White. *Billboard*, 1951-10-27 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand, content, and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends. **Billboard**, 1949-03-12 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand, content, and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and
