If you have reached Breakdown or Burnout, this unique and life changing book will be invaluable to you. Whilst working in a mental health setting for 30 years, Mary Heath soon discovered that everyone she encountered shared a similar problem: no one appeared to have any knowledge at all of how to cope with the stress of life and its consequences. The great majority of patients had no coping skills or strategies at all. No one had been taught how to deal with stress and many didn't even know what stress was and why they felt so helpless, so alone and so afraid. Mary, on the other hand, had a very large tool box and a set of skills that helped all of them to change their lives around and become healthier and stronger in every way. Having been trained in many disciplines in the field of stress, anxiety, depression and personal development, she was able to tailor an individual's requirements according to their specific needs. Working with a wide ranging and extensive variety of therapies, Mary taught people not just how to cope but how to really live again. Many of the techniques and therapies Mary used can be found in this book and include: The Simple Principles of the Philosophy of Yoga Pranayama, a unique sequence of breath control exercises, Relaxation, Meditation and Mindfulness, Stress and Anxiety Management, Depression Management, Cognitive Behavioural Therapy, CBT, Self Esteem and Confidence Building, Neuro Linguistic Programming, NLP, Emotional Freedom Technique, EFT, Life Coaching. *The Gut Balance*
