Broadway in the Box Kelly Kessler, 2020-04-01 It was as if American television audiences discovered the musical in the early 21st century In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming awkward teens and powerful voices spontaneously bursting into song After raking in the highest rating for a new show in the 2009 2010 season Glee would continue to cultivate rabid fans tie in soundtracks and merchandising and a spinoff reality competition show until its conclusion in 2015 Alongside Glee NBC and Fox would crank up musical visibility with the nighttime drama Smash and a string of live musical productions Then came ABC s comedic fantasy musical series Galavant and the CW s surprise Golden Globe darling Crazy Ex Girlfriend Television and the musical appeared to be a perfect match But as author Kelly Kessler illustrates television had at that point been carrying on a sixty year symbiotic love affair with the musical From Rodgers and Hammerstein s appearance on the first Toast of the Town telecast and Mary Martin s iconic Peter Pan airings to Barbra Streisand s 1960s CBS specials The Carol Burnett Show Cop Rock Great Performances and a string of one off musical episodes of sitcoms nighttime soaps fantasy shows and soap operas television has always embraced the musical Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television film and theatrical landscapes She recounts and explores this rich decades long history by traversing musicals stars and sounds from film Broadway and Las Vegas to the small screen

Sports Plays Eero Laine, Broderick Chow, 2021-08-19 *Sports Plays* is a volume about sports in the theatre and what it means to stage sports. The chapters in this volume examine sports plays through a range of critical and theoretical approaches that highlight central concerns and questions both for sports and for theatre. The plays cut across boundaries and genres from Broadway style musicals to dramas to experimental and developmental work. The chapters examine and trouble the conventions of staging sports as they open possibilities for considering larger social and cultural issues and debates. This broad range of perspectives make the volume a compelling resource for students and scholars of sport theatre and performance studies whose interests span feminism, sexuality, politics, and race.

Theater Week, 1991 **Business Week**, 2005 **What Were They Thinking?** Kyle Garlett, 2009-05-05 In 1919 the Boston Red Sox traded Babe Ruth to the New York Yankees to finance a Broadway show. In 1968 NBC turned off the Jets Raiders game with only seconds left to show the made-for-TV movie *Heidi*. In 1994 Tonya Harding decided the best way to win Olympic gold was by taking out Nancy Kerrigan's kneecap. In all of these situations and many many more there is just one question fans can ask: What were they thinking? In these pages sportswriter and fellow fan Kyle Garlett recounts the top sports blunders that made you tear out your hair, beat your chest in agony and yell at the TV until your neighbors called the cops. Whether it's boneheaded coaches, idiotic general managers or temporarily insane players, every fan has seen his team go from the brink of victory to total defeat for no logical reason. Whether it's baseball, football, golf, hockey or any other sport, you'll discover what really happened during these painful moments and why they ended up the unbelievable way they did.
