absolutely love this book and I think it's essential for ambitious and working women. It spells out solutions to life admin rather than just lamenting the problem. Game changing. Mia and Dinah show you how to take small steps with big impact. They lay out the importance of sharing the load when it comes to admin as well as domestic duties. It breaks down the intersection of parenting, household duties and life admin. So many of us feel frustrated and overwhelmed at the moment. It is a must read for women. This book will show one in simple non technical terms how to integrate the invisible Web into teaching opportunities wherever they occur in a one on one teaching moment at the reference desk or in a formal course. Estimated at 500 times the size of the visible Web, the invisible Web and the search skills needed to plumb its depths should be a part of every information literacy and research skills course. With this book one gets expert teaching tips and scripts for informal instruction plus model activities and assignments for the classroom. Statistics and summaries of relevant research will help one combat myths like Searching Is Easy or Everything Important Is Free.
