Pro Football Championships Before the Super Bowl Joseph S. Page, 2014-01-10 While the Super Bowl has become a worldwide cultural event the annual league championship games had a long history even before the first Super Bowl in January 1967 From the first American Football League's attempt to settle the league title on the gridiron in 1926 to the separate NFL and AFL championships of the 1965 season this history offers a narrative of each game including line ups box scores and team statistics

The American Football League Ed Gruver, 2011-01-14 Unable to buy into an existing team and rebuffed by National Football League owners who had no desire to expand 27 year old Lamar Hunt the son of Texas billionaire H L Hunt formed the American Football League in 1959 He placed his team in Dallas called them the Texans and invited other young entrepreneurs to join him The seven men who did called themselves members of the Foolish Club but on September 9 1960 the AFL made its regular season debut and went on to change the face of football forever Unlike the NFL the American Football League featured wide open offenses and innovative coaching strategies capturing a new generation of fans dedicated to the league and its players The AFL aggressively pursued college stars Heisman Trophy winner Billy Cannon in its inaugural season and Joe Namath in 1965 The eight teams signed a collective television agreement that split the money equally among the franchises thus providing far more stability and balance than earlier start up leagues Based on interviews with owners coaches players scouts broadcasters and writers from the era this is a colorful account of the AFL and its place in sports history

When the Saints Came Marching in Buddy Diliberto, Michael C. Hebert, 2001 It was a most unlikely success story the Saints having finished the 1999 season with only three wins in sixteen games But after three decades of frustration on the part of owners coaches players and fans the New Orleans Saints overcoming inexperience and injuries in spectacular fashion put together an exciting turnaround season in 2000 When the final whistle blew the Saints had won eleven games including their first playoff victory ever the head coach was named NFL Coach of the Year and the general manager was voted the league's Executive of the Year One thing had become clear the

Saints had come marching in This volume records in text and photographs the special elements that sustained that march
