The Business of Sports Scott Rosner, Kenneth Shropshire, 2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders. It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas. The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics, and law. Each chapter features concise introductions, a broad range of focused readings, and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics.

Race in American Sports James L. Conyers, Jr., 2014-06-10 These essays critically examine the issue of race in college and professional sports, beginning with the effects of stereotypes on black female college athletes and the self-handicapping of black male college athletes. Also discussed is the movement of colleges between NCAA designated conferences and the economic impact and effects on academics for blacks. An essay on baseball focuses on changes in Brooklyn during the Jackie Robinson years, and another essay on how the Leland Giants became a symbol of racial pride. Other essayists discuss the use of American Indian mascots, the Jeremy Lin spectacle surrounding Asians in pro sports, the need to hire more NFL coaches of color, and ideals of black male masculinity in boxing.

Giants Among Men Jack Cavanaugh, 2017-09-05 From the mid 1950s to the early 1960s when basketball's Boston Celtics were piecing together a run for the ages when Montreal's Canadiens were in the midst of notching a record-setting five straight Stanley Cups and when the New York Yankees were the once and future kings of the diamond, one team boosted the NFL to national prominence as none other: the New York Giants. In *Giants Among Men*, Jack Cavanaugh, the acclaimed author of *Tunney*, transports us to the NFL's golden age to introduce the close-knit and diverse group that won the heart of a city, helped spread the gospel of pro football across the nation, and recast the NFL as a media colossus. Central to Cavanaugh's narrative and emblematic of the Giants' bond with their followers was a hard-nosed future Hall of Fame defensive end named Andy Robustelli, who anchored a Giants defense unit so ferocious that they were the first team to inspire crowds to chant "Dee fense." But while Robustelli and the Giants were a hit on the gridiron, playing in six NFL Championship Games in eight seasons between 1956 and 1963, the most remarkable aspect of this team was perhaps its relationship with the fans, who were equally at ease hobnobbing with Jackie Gleason and Frank Sinatra as they were rubbing elbows with working-class rooters on the IRT en route to Sunday games in the Bronx. But the Giants of this era didn't merely affect the fans' relationship to the game; they changed the game itself. The team launched the NFL careers of future head coaching geniuses Tom Landry and Vince Lombardi, as well as those of future Hall of Famers including Frank Gifford, Sam Huff, Emlen Tunnell, Roosevelt Brown, and Y. A. Tittle, along with stars like Charlie Conerly, Rosey

Grier and Pat Summerall Filled with historical and cultural insight and vivid portraits of large than life characters and indispensable everymen *Giants Among Men* transcends nostalgia and sports trivia to faithfully depict a watershed era for both football and the American nation **Computers & Electronics** ,1983 **The Cleveland Rams** James C. Sulecki,2016-10-24 In 2016 the Rams left St Louis for Los Angeles having departed L A for St Louis in 1995 and caused much heartbreak among fans NFL teams are notorious for decamping to more profitable markets and the Rams history of opportunistic moves goes back to 1946 when they left Cleveland their original hometown where fans had cheered them to a championship a month earlier The move to L A from Cleveland shocked the NFL and shook up its power structure It also jolted the all white league into reintegration prepared the way for the Browns and made the Rams the only NFL champs ever to have spent the following season in a different city This is the story of how the Rams went from a home grown Ohio team funded by local businessmen to the first major league franchise on the West Coast and how their departure jumpstarted a chain of events in Cleveland that continues to this day **The Sporting News** ,1979-04 *Newsweek* ,1983 *Popular Computing* ,1983 *The New York Times Index* ,2005 **Business Rankings Annual** Gale Group,1998-11 The staff of the Business Library of the Brooklyn Public Library answers more than 175 000 reference questions each year many of them requests for rankings information To provide quick answers to questions in the highest interest subject areas we have compiled *Business Rankings Annual* Working from a bibliographic file we have built up over the years we have culled thousands of items from periodicals newspapers financial services directories statistical annuals and other printed material The top ten from each of these rankings appears in this volume grouped under standard subject headings for easy browsing Typical entries provide sequential entry number rankings title A descriptive phrase identifying the contents of the list cited ranked by Indicates the criteria that establish the hierarchy remarks Provides additional details relating to the list from the source material number listed Notes the number of listees in the ranking source top 10 items on the list and source Readers can quickly locate all rankings in which a given company person or product appears by consulting the reference s comprehensive index In addition a complete listing of more than 300 sources used to compile *Business Rankings Annual* is provided in the bibliography **Business Week** ,1996 **Rock Island Lines News Digest** ,1948 *Nibble* ,1987 *Omni* ,1983-04 *The Pullman News* ,1945 **How to Use America Online** Deborah Craig,Elaine Madison,1999 This fourth edition is a new fully expanded version of the step by step guide to America s 1 online service Using a unique combination of pictures and text readers are shown step by step how to get online and how to get the most out of AOL s features including many of the new ones added to version 4 0 such as instant messages sending images and the new Virtual Places The disk contains AOL membership software *The Washington Post Index* ,2000 **Accounting & Auditing Research** Thomas R.
