## **Security Dynamics Of Demographic Factors:**

**The Security Dynamics of Demographic Factors**, 2000 This report presents a framework for understanding the implications of global demographic trends for international and U S national Security One of its goals is to spark discussion between demographers and national security analysts The document should be of interest to security analysts demographers foreign policymakers and general audiences interested in the implications of demographic trends for international security policy This research was jointly sponsored by the Population Matters project in RAND s Labor and Population Program and by the RAND Arroyo Center A principal goal of Population Matters is to inform both public and specialist audiences about the findings of demographic research and their implications for policy The Population Matters project is funded by grants from the William and Flora Hewlett Foundation the Rockefeller Foundation and the David and Lucile Packard Foundation The Arroyo Center is a federally funded research and development center sponsored by the United States Army This work inspired by prior research on alternative security futures conducted in the Strategy Doctrine and Resources Program of the Arroyo Center drew only from sources in the public domain The principal aim of this report is to provide a framework for understanding the influence of demographic factors on international security issues Specifically three major questions are addressed what current demographic trends pose international security concerns What are the security implications of these trends what are the implications for U S foreign defense and intelligence policies *Walking the Tightrope* J  r van der Lijn, 2006 The media generally tend to focus in particular on the failures of U N peacekeeping operations In *Walking the Tightrope* J  r Van Der Lijn draws a different conclusion He argues once a peace agreement has been signed the efforts of the U N peacekeeping operations do contribute to durable peace By analyzing the U N peacekeeping operations in Cambodia Mozambique Rwanda and El Salvador in a structured focused comparison this book shows how U N operations do have a contribution to make *Dire Demographics* Julie DaVanzo, Clifford Anthony Grammich, 2001 Presents a Rand study of population trends in the Russian Federation Demographics and the Changing National Security Environment, 2000 Demographic factors seldom directly cause conflict between nations They can however exacerbate existing tensions and increase the risk of violent conflict Long term fertility trends urbanization migration and changes in the ethnic composition and age profile of populations can influence the likelihood and nature of conflict among and within nations Brian Nichiporuk explores these issues in *The Security Dynamics of Demographic Factors* seeking to answer three questions in particular First which demographic trends pose international security concerns Second what are the security implications of these trends Third what should the United States do% in response to these issues The future international security environment of course will be determined by complex interactions between geographical alignments technologic%al advances economic developments environmental trends and demographic factors This research does not address all these complex interactions but it does note the direction in which demographic factors can affect security issues **Population Puzzle** Laura E.

Huggins,Hanna Skandera,2013-10-01 Drawing from government reports think tank studies scholarly journals magazines newspapers and books this insightful overview offers a range of contrasting viewpoints and policy perspectives on the major issues concerning world population growth with particular emphasis on the impact of population trends on the United States
