*International Sports Betting* Jean-Patrick Villeneuve, Martial Pasquier, 2018-10-09 Sports betting has become a truly global phenomenon facilitated by new communication technologies. As a result, the development of deviances from match fixing to money laundering has accelerated. This new reality has numerous implications for both the regulation of this billion dollar industry and the very integrity of sport. Written by an international team of academic researchers and industry professionals, *International Sports Betting* explores the central concepts of integrity and deviance, governance and policy, as well as perennial issues linked to the gambling sector such as regulatory responsibilities and the fight against gambling addiction. Unlike other treatments of the gambling industry, the book offers a multi-disciplinary sociological and managerial critique that goes beyond a traditional focus on law and regulation. This is fascinating reading for any student, researcher or practitioner working in the areas of sport business, international business, international regulation, policy studies or gambling studies.

*The Economics of Sports Betting* Plácido Rodríguez, Brad R. Humphreys, Robert Simmons, 2017-07-28 This unique book delves into a number of intriguing issues and addresses several pertinent questions including: should gambling markets be privatized? Is the hot hand hypothesis real or a myth? Are the many smarter than the few in estimating betting odds? How are prices set in fixed odds betting markets? The book also explores the informational efficiency of betting markets and the prevalence of corruption and illegal betting in sports.

*Powerful Profits From Internet Gambling* Victor H Royer, 2014-08-26 Insider Tips For Beating The Best Games On The Net. Internet gambling is the hottest thing in gaming with tens of millions being wagered every day around the world. For many players, success will be elusive, but for those in the know, the odds of winning consistently can be dramatically improved. Here, nationally renowned gambling columnist and casino insider Victor H Royer offers fully updated, outstanding advice on what to do when you're ready to try your luck online. He explains where to go, what to expect, and how to maximize your chances of success using his 6-part Keys to Winning strategy. With Royer as your guide, you'll confidently navigate the world of online casinos and poker rooms, have more fun, and win more often. You'll learn why all online casinos are definitely NOT alike, how to find a reputable Internet wagering site, which online games offer the best odds of winning, what are the top online casinos, plus you'll pick up insider tips for such Internet casino favorites as Keno, Cyber Slots, Craps, Sic Bo, Money Wheel, Baccarat, Roulette, Cyber Bingo, and more. Because there's such a high turnover among casino sites, Royer has streamlined and generalized the principles in this book to ensure that they remain relevant for the long haul and can be applied to play in any online casino at any time. Keep this invaluable reference handy as your go-to guide for tapping into the powerful profits that are only a mouse click away. 112,000 Words.
