The First Book of Gabriel Gabe Rispoli Jr, 2015-10-21 From the time before the great pyramids were built an ancient prophecy foretold that for the sake of humanity when nature could no longer absorb the abuse of man a newborn of unknown blood would walk among us Led by the divinity of elders he will change the world Join Gabriel and his close companions on this journey of mystery danger and intrigue As Gabriel must interpret riddles to find the path to the light he must also learn on the way As this journey will teach Gabriel about the altered genesis of man and his aggressive nature for self fulfillment it will also teach of man s forced dominance of women and the abusive unequal treatment inflicted upon them from the beginning to this day Then the last but the most important lesson of all is the nature of this world and the destructive imbalance that has been caused by man And within the imbalance of man and nature Gabriel must learn how this balance can be restored The ecological problems with the planet are at the heart of this imbalance As Gabriel learns what s needed to start the reversal of all the damages he learns the secret of why this world is so special and the true meaning of God
