The pages within this book focus on various areas or subjects of which the value can be incorporated into any area of life. All The World Is A Product Be Creative and Come Up with Ideas explains and provides unique methods to stir creativity no matter what or where your personal or professional creative field lies. Whatever creative endeavor you are in, the inspirational process is similar because it comes from the same source: the human imagination. Whether you are an actor or actress, businessperson or manager, a sculpture writer, artist, songwriter, architect, inventor, or none of the above, you have a wellspring of creativity inside you. This book assists in bringing your creativity out from within. Whether your chosen interest is expressed by meeting company's sales objectives, creating a painting, writing a book, giving environments a special touch, inventing products, improving ways of household tasks, or making the most of your physical features, this book will enrich your creativity. Your imagination is yours to develop and express as you choose, and this is an enjoyable journey that will increase your creative juices today and forever.
