Etsy Apple Watch Vs:

Touch Screen Theory Michele White, 2022-10-25 Technology companies claim to connect people through touchscreens but by conflating physical contact with emotional sentiments they displace the constructed aspects of devices and women and other oppressed individuals critiques of how such technologies function Technology companies and device designers correlate touchscreens and online sites with physical contact and emotional sentiments promising unmediated experiences in which the screen falls away in favor of visceral materiality and connections While touchscreens are key elements of most people's everyday lives critical frameworks for understanding the embodied experiences of using them are wanting In Touch Screen Theory Michele White focuses on the relation between physically touching and emotionally feeling to recenter the bodies and identities that are empowered produced and displaced by these digital technologies and settings Drawing on detailed cases and humanities methods White shows how and why gender race and sexuality should be further analyzed in relation to touchscreen use and design White delves into such details as how women are informed that their bodies and fingernails are not a fit for iPhones how cellphone surfaces are correlated with skin and understood as erotic the ways social networks use heart buttons and icons to seem to physically and emotionally connect with individuals how online references to feminine and queer feelings are resisted by many men and how women producers of autonomous sensory meridian response ASMR videos use tactile strategies and touch screens to emotionally bond with viewers Proposing critical methods for studying touchscreens and digital engagement Touch Screen Theory expands a variety of research areas including digital and internet cultures hardware interfaces media and screens and popular culture **All the Lives I Want** Alana

Massey, 2017-02-07 Alana Massey's prose is to brutal honesty what a mandolin is to a butter knife she's sharper she slices thinner she shows the cross section of a truth so deftly so powerfully and cannily it's hard to look away and hard not to feel that something has shifted in you for having read her Leslie Jamison New York Times bestselling author of The Empathy Exams From columnist and critic Alana Massey a collection of essays examining the intersection of the personal with pop culture through the lives of pivotal female figures from Sylvia Plath to Britney Spears in the spirit of Chuck Klosterman with the heart of a true fan Mixing Didion's affected cool with moments of giddy celebrity worship Massey examines the lives of the women who reflect our greatest aspirations and darkest fears back onto us These essays are personal without being confessional and clever in a way that invites readers into the joke A cultural critique and a finely wrought fan letter interwoven with stories that are achingly personal All the Lives I Want is also an exploration of mental illness the sex industry and the dangers of loving too hard But it is above all a paean to the celebrities who have shaped a generation of women from Scarlett Johansson to Amber Rose Lil Kim Anjelica Huston Lana Del Rey Anna Nicole Smith and many more These reflections aim to reimagine these women's legacies and in the process teach us new ways of forgiving ourselves

The Growth Dilemma Annie Wilson, Ryan Hamilton, 2025-06-10 Porsches for soccer moms Finance bros in Patagonia Drive

through Starbucks What happens when your growth strategy creates conflict between customers You always want to grow your brand but there s a dilemma the more customer segments you target the harder it becomes to avoid conflict between them Sometimes attempts to court new customers can feel like a betrayal to your loyal base Sometimes new customer segments rush to adopt your products and in the process unwittingly alienate your existing customers And sometimes your growth strategy flies in the face of what your customers have decided your brand means to them Brands must navigate these incompatibilities in order to achieve sustainable growth or face losing more customers than they gain Marketing experts and professors Annie Wilson and Ryan Hamilton show you how to manage this challenge with a fresh simple framework for growing without imploding helping you choose whom to target how to avoid conflict between segments and crucially what to do when the sensibilities of one segment clash with those of another Wilson and Hamilton illustrate their framework with dozens of real world cases How did Supreme lose its coveted reputation among skateboarders How did a software update cost Apple a devoted customer base What did Gucci do when the cast of Jersey Shore started toting its handbags around And why are Crocs even a thing With depth clarity and a bit of humor Wilson and Hamilton give you a better way to strategically select new target markets and manage multiple customer segments The Growth Dilemma is your road map to brand growth

Enterprising Initiatives in the Experience Economy Britta Timm Knudsen, Dorthe Refslund Christensen, Per Blenker, 2014-09-19 Over the last decade the close relationship between culture and economy or the experience economy has risen on the agenda Although there is an established research field for analysing the economic impact of entrepreneurship there is currently a limited amount of research that analyses the cultural impact and opportunity of entrepreneurship Linking experience economy with enterprising behavior moves the term away from businesses competitiveness and consumer behavior towards a more value focused business in general This ground breaking book integrates entrepreneurship and empowerment into one central theme drawing on research from both the social sciences innovation entrepreneurship empowerment and activism and the humanities participatory culture user generated designs creative networks Enterprising Initiatives expands the definition of entrepreneurship beyond a primarily economic profit seeking phenomenon to a broader understanding of enterprising behaviour based on an individual opportunity nexus Beyond social entrepreneurship it explores a broad range of individual collective and cooperative citizen initiatives under the umbrella of enterprising action This innovative approach will be of great interest to scholars in entrepreneurship social entrepreneurship cultural entrepreneurship cultural studies and consumer culture as well as for policy makers in public and local government regional development and cultural event management

An Introduction to Online Platforms and Their Role in the Digital Transformation OECD, 2019-05-13 This report contains detailed profiles of twelve of the world s leading platform companies and derives insights from those profiles about what platforms actually do how they do it and why they succeed financially

Independent Luxury Jonas Hoffmann, Laurent Lecamp, 2015-07-26 In recent years luxury brands have deviated from the

principles of craftsmanship rarity uniqueness and heritage Conglomerates such as LVMH and Richemont have grown at an unprecedented pace and show no sign of slowing This book explains the importance of innovation and argues why independent brands are vital to the survival of the industry
