Advertising, Promotion, and New Media Marla R. Stafford, Ronald J. Faber, 2015-03-26 Today new media enter our lives faster than ever before This volume provides a complete state of the art overview of the newest media technologies and how they can be used in marketing communications essential information for any organization that wants to maintain an effective advertising program as well as for experts and students in the fields of advertising and mass communications Advertising Promotion and New Media offers crucial insights on the use of cutting edge techniques including 3 D advertising mobile advertising advergames interactivity and netvertising images as well as more familiar Internet advertising formats such as banner ads and pop ups It also discusses such important topics as how to select online affiliates and how to assess the effectiveness of new media advertising and compare it with traditional formats Throughout the book the chapter authors offer up to date information and thought provoking ideas on emerging technology and how it can be used effectively for advertising and promotion in the future Update to the ... Catalog of Federal Domestic Assistance ,1986 Higher Education at Risk Sandra Featherman, 2023-07-03 Sandra Featherman believes that colleges are in denial about the severity of the threats to the current model of higher education Based on her own experience as a president as a trustee and as a board member who has worked in private and public universities and on interviews with the presidents of major institutions she offers both a trenchant analysis of those threats and clear prescriptions about the painful but necessary decisions that colleges need to make to ensure they remain viable accessible and affordable and deliver a high quality education Sandra Featherman considers higher education to be at a game changing moment When markets don t function well as is the case with today s college marketplace with offerings that cost too much and return too little it opens the door to new types of suppliers who offer new ways of providing what students are looking for particularly the increasing cohort of mature working students In the face of new competitors for profit education companies technology start ups and foreign universities vying for international students trustees and senior level administrators are generally stuck in a traditional ethos and with decision making processes unsuited to these times They know what used to work and find it easier to follow old ways than to make the difficult transition to new ways of delivering education She lays out a strategy that emphasizes the centrality of students and how to provide them with the most effective learning environment that is clear eyed about focusing on the core missions and abandoning practices that constrain or impede them and that requires constant self monitoring to learn from and act upon what works She offers a blueprint for redesigning institutions for paring away what is unnecessary and cost ineffective and for adopting the best technologies all in the service of developing meaningful degree programs at an affordable price and widening access for under represented groups She ranges over the implications of budget decisions accreditation and MOOCs addresses government regulation and tuition costs presents promising new models and concludes with 11 key recommendations that should be heeded by all higher education administrators and trustees **Dun's Review** ,1898
