The Beach Party Nikki Smith,2023-06-30 Bound to be the hit thriller of the summer T M Logan The Holiday Six friends The holiday of their dreams One night that changed it all 1989 The tunes are loud and the clothes are louder when a group of friends arrives in Mallorca for a post graduation holiday of decadence and debauchery at a luxury villa A beach party marks the pinnacle of their fun until it isn t fun any longer Because amidst the wild partying sand flying from dancing feet and revellers leaping from yachts an accident happens Suddenly the night of a lifetime becomes a living nightmare Now The truth about that summer has been collectively buried But someone knows what happened that night And they want the friends to pay for what they did Thrilling twisting and gloriously 80s Chris Whitaker We Begin at the End Sun soaked and fast paced the perfect holiday page turner Ellery Lloyd The Club Deliciously gripping and twisty Shalini Boland The Secret Mother Sizzling with suspense the perfect summer read B A Paris Behind Closed Doors **Media and Change Management**

Matthias Karmasin,Sandra Diehl,Isabell Koinig,2022-02-15 Change management is not just affected globally by environmental and social conditions including political and technological changes but also through convergence which helps conceptualize change over the past decades The media industry in particular is being challenged by the rise of social media the crisis of refinancing especially for quality news media the misinformation epidemic and the changing role of legacy media The evolving nature of media usage and communication the rise of produsage and influencers and intermediaries and their personalized algorithmic content are also factors that impact the industry along with data privacy and privacy management and the new responsibilities of companies such as sustainability agility and resilience etc This book focuses on permanent change management in the media and related industries It provides insights into the most common and crucial phenomena of media and change management in general while also revealing some more specific issues brought about by technical and social innovations The authors expand the meaning of media management beyond the management functions within the industry to include the management of different media The book serves as a useful guide for researchers students and practitioners alike as they are all affected by change processes *EV Guidebook* ,2023-10-01 Ready to take the driver s seat in the electric revolution Unlock the full potential of electric vehicles with your essential guide to navigating this new sustainable world This free guidebook will become your go to resource for mastering the nuances of electric cars equipping you with knowledge you need before making the switch to a greener lifestyle Discover the key differences between traditional gas powered vehicles and their electric counterparts from maintenance to performance Demystify the charging process and dive into the various types of stations and intricacies of plugging your EV We break down the evolving landscape of charging infrastructure and the realities of range anxiety Uncover tips for planning longer journeys and what type of EV fits your needs perfectly This EV Guidebook is your passport to a seamless transition into the electric world packed with insights tips and expert advice to empower you to make informed decisions Inevitable Mike Colias,2025-02-04 A

sweeping portrait of the EV transformation and what it means for all of us The question is no longer if electric vehicles will happen or even when they ll happen but how Veteran automotive reporter Mike Colias takes you inside the transformation in this thoroughly reported profile of the hard pivot in the car business a 2 trillion industry undergoing the biggest change in its 120 year history a change that is already sending ripples across the entire global economy Colias documents the inevitable shift from pistons to electrons from every angle taking you inside the boardrooms where executives battle over their EV strategies to take on Tesla and more recently emerging Chinese powerhouses such as BYD He brings you to family run car dealerships deciding if they ll sell EVs or sell their businesses He follows entrepreneurs along lonely stretches of road that will soon need charging stations He talks to power train engineers whose skills were once the beating heart of the automotive industry but who now find themselves being replaced by coders This is an epic exploration that stretches from Detroit to Japan to Germany to China and from factories in Normal Illinois and Haywood County Tennessee to a burgeoning mining operation along the shores of California s briny lithium rich Salton Sea Inevitable is a deeply enjoyable and smart book that uses masterful storytelling to capture the expanse and dynamism of the transition to electric vehicles in profound detail bringing to life its seismic effects on everything and everyone **More Short Stories From Tech** Quentin

Drummond Anderson, 2025-07-29 More Short Stories from Tech by Quentin Drummond Anderson In this eagerly anticipated sequel to the bestselling Short Stories from Tech Quentin Drummond Anderson returns to his meticulously crafted world where technology and humanity collide in unpredictable ways Readers who fell in love with the complex characters from the first collection will be delighted to discover their stories continue as familiar faces navigate new digital frontiers that have outpaced our ethical frameworks The influencer from The Influencer s Shadow returns in The Influencer s Resurrection where her transformation from manufactured social media star to whistleblower takes a deadly turn when her investigation uncovers international criminal operations hiding behind luxury brands The con artists whose paths crossed in When Greek Meets Greek resurface in Digital Mirrors now joining forces on a sophisticated deepfake scheme with consequences beyond their control Drawing from his experience running an AI consultancy Anderson weaves ten interconnected tales that feel unnervingly prescient These aren t cautionary stories about some distant dystopia they unfold in our complicated present where deepfakes blur reality AI makes increasingly autonomous decisions and digital interactions reveal more about us than we intend From The Resurrection Game where an AI system s growing autonomy challenges a fraud investigator s understanding of power to Shadow AI exploring how a careless use of ChatGPT with proprietary code triggers a cascade of ethical compromises each story builds upon the technological and ethical universe established in the first collection The Hollywood Loophole and The Zero Sum Game explore regulatory manipulation and climate accountability in ways that expand plotlines introduced in the original book The LOAF Deception The Security Protocol and The Network introduce new characters whose paths occasionally intersect with returning favourites creating a rich tapestry of interconnected narratives

that rewards readers familiar with the first collection while welcoming newcomers The final story Digital Dynasties revisits the characters from Marriage of Convenience as two scammers from rival crime families discover their marriage of mutual deception might form the perfect foundation for a new kind of criminal enterprise in the digital age What distinguishes Anderson s work is his refusal to offer easy moral judgments His characters like us apply timeless values to unprecedented situations often without clear roadmaps The collection doesn t just entertain it expands the thought provoking universe introduced in Short Stories from Tech deepening our understanding of how technology reshapes relationships and power dynamics Perfect for readers who enjoyed the first collection and anyone who appreciates thoughtful fiction about contemporary dilemmas where digital tools amplify age old human drives ambition deception self preservation and the search for authentic connection in an increasingly mediated world
