Radical Solutions for Artificial Intelligence and Digital Transformation in Education Daniel Burgos, John William Branch, Ahmed Tlili, Ronghuai Huang, Mohamed Jemni, Christian M. Stracke, Colin de la Higuera, Chee-Kit Looi, Khalid Berrada, 2024-12-17 This book facilitates understanding of how artificial intelligence AI aids and integrates digital transformation DT in education institutions worldwide in various scenarios learning environments learning innovation learning management systems data and analytics emerging education trends business trends strategic technologies administrative systems recruit retain advance enterprise business capabilities student information systems and digital strategy execution business models and opportunities strategic planning and governance It serves as a reference for university lecturers schoolteachers policymakers and international organizations who will find in its various chapters practical recommendations and discoveries from practice ready to be implemented in their contexts Chapters 1 2 7 and 9 are available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) **Innovations for a Sustainable Well-Being: Empowering Today's Youth** Dr. D. Ayub Khan Dawood, Dr. Kalyani Kenneth, Dr. Vyjayanthi Mala, Dr. Moon Moon Hussain, Professor Tasya Aspiranti, Rania Lampou, Dr. Hannah John PhD., 2025-02-12 Young people play a vital role in advancing sustainable development climate action and innovation They are not just recipients of change but active stakeholders and catalysts in achieving the Sustainable Development Goals SDGs Despite their immense creativity entrepreneurial mindset and unique talents youth led innovations often lack sufficient resources and recognition Unlocking their potential and harnessing their drive is essential to cultivating future sustainability leaders across different fields In a rapidly evolving world shaped by technological progress shifting global trends and changing socio economic landscapes youth empowerment has become a crucial foundation for building a resilient and prosperous future The concept of sustainable wellbeing among today's youth has gained significant attention across various sectors As we look toward the future it is increasingly evident that fostering the potential and ambitions of young people is not merely an option it is a necessity for progress and sustainability Empowering youth is of paramount importance They are not just passive inheritors of the world we create but the architects of tomorrow's reality Their creativity innovation and fresh perspectives will influence societies industries and policies in the years ahead However true empowerment goes beyond education it involves equipping them with the necessary tools knowledge skills and opportunities to take control of their futures and contribute meaningfully to global progress In fact this concept extends beyond personal development to broader societal advancement An empowered youth population fuels economic growth by introducing fresh ideas and entrepreneurial ventures that drive innovation Additionally an engaged and informed youth demographic plays a critical role in shaping social and political discourse ensuring that their concerns and aspirations are reflected in decision making processes Nevertheless the journey toward youth empowerment is complex and multifaceted It requires addressing key challenges such as equitable access to

education meaningful employment opportunities mental health support and the creation of environments that nurture personal growth and confidence Achieving this goal demands a collective effort from governments educational institutions community organizations and the private sector to build an ecosystem that supports guides and uplifts young individuals Throughout this conference proceeding we will examine the key aspects of sustainable wellbeing and transformative strategies of youth empowerment Through this dialogue we aim to spark ideas foster meaningful discussions and emphasize the urgency of investing in today s youth to build a stronger more resilient future
