Luckily with her brilliant book *The Comparison Cure* Lucy Sheridan gives us a road map to reclaiming ourselves. Sarah Knight, New York Times bestselling author of *The Life Changing Magic of Not Giving a F\*ck* and *The Queen of Self Worth* Adwoa Aboah \_\_\_\_\_ Lucy Sheridan, the world's first and only comparison coach, has helped thousands of people go from compare and despair to comparison-free, and now she has condensed all of that liberating knowledge into *The Comparison Cure*. With a three-step tried and tested methodology to help you improve your self-worth and self-confidence: 1. recognise the symptoms 2. start practising the remedies and 3. keep your good new habits going, you will soon be able to let go of procrastination and start living a comparison-free life. Fernando, 2024-03-12 This book presents a comparative study of desistance from crime by analysing and comparing the narratives of English and French desisters. In doing so, it uncovers how national and structural differences may lead to varying individual pathways out of crime. *Comparing Pathways of Desistance* draws on the themes of family, education, onset of offending, employment, offending experiences, and perspectives of the criminal justice system, stories of desistance, support networks, and projections into the future. In addition, this book also explores topics that are less commonly looked at in desistance studies, such as ambitions of entrepreneurship and leisure activities. It examines the ways in which people make sense of their experiences of offending and desisting, identifies differences and similarities between English and French desisters, and reflects on how these differences and similarities inform us on the influences of national contexts on individual pathways of desistance. An accessible and compelling read, this book will appeal to students and scholars of criminology, sociology, desistance, politics, social policy, and all those interested in the differences between English and French desisters.

When Rachael was a young teen going through her healing crisis, she wasn't sure how to heal. Without family support, she was thrown into the system, and when that system failed her, she floundered until she discovered her path, her own wellness journey. This inspiring must-have book includes personal experiences and effective strategies for optimal health that are simple and applicable. The pages chronicle where she came from and where God has brought her to be after growing up in deep dysfunction and experiencing alcoholism, abuse, divorce, foster homes, homelessness, loss of a child.

depression and anxiety One day she found solace and safety in this verse I waited patiently for the Lord he turned to me and heard my cry He lifted me out of the slimy pit out of the mud and mire he set my feet on a rock and gave me a firm place to stand He put a new song in my mouth a hymn of praise to our God Many O Lord my God are the wonders you have done Ps 40 Rachael s journey shows us how she has experienced healing joy love cherished memories great relationships growth change a wonderful husband kids and grandkids and brings her to a place where she can say that only because of the grace of God can I say I am who I am God is so good He can use our bad experiences and turn them into a beautiful thing He uses our trials to teach us perseverance and strengthen us This book is a must read for both professionals for use in their practices and individuals for their personal health journeys If anyone out there feels I can t I m here to tell you God can
