51 Weeks Julia Myerscough, 2018-03-13 This is a stunningly good read It s beautifully written and the characters quickly became so real as I read on I had a blast reading it and found I could easily relate to Amy s situation Julia Myerscough s *51 Weeks* is most highly recommended J Magnus Readers Favorite The big five oh is staring Amy Richards squarely in the face and she s panicking What has happened to her life How could it have passed her by so quickly How should she mark the occasion A serendipitous stop at an inspiring museum and heritage centre gives her the answer when she is old she must be able to shout Je ne regrette rien Forget the bucket list bring on a bowl of 51 weekly challenges for the coming year the last one being to write about everything she s learned Chosen by her friends these mysterious slips of paper will have Amy face her fears do good for others undergo personal growth and even walk on the wild side What starts out as harmless fun soon develops into an exciting and profound voyage of adventure Friendships are forged and broken infatuation tests morality and ethics dark secrets are revealed and Amy takes a long hard look at her marriage She realises that in life it s not the destination that matters but what she learns over time and how this changes her With parts of the story based on real events *51 Weeks* is much more than a series of challenges While it is a hilarious sassy highly relatable novel dealing with the realities of ageing we all face it s also an inspirational and empowering journey of self discovery It prompts readers to put together their own bowl of challenges get off the sofa and try everything they ve ever wanted to do maybe learning something surprising about themselves along the way

52 Weeks of Cookies Maggie McCreath, 2016-03-08 The recipes and techniques that one mother used to turn a year of her son s military service in Iraq into a year of care packages brimming with cookies Single mother Maggie McCreath couldn t decide which was worse the fact that her only son not yet twenty one was off to war in Iraq for the second time or the fact that they had only five days to prepare Even more frightening she knew that he would be part of the Surge and as a paratrooper in the 82nd Division of the Army the tip of the Spear What she did not know what she couldn t even bear to consider was how this deployment would end both for her son and for his brothers in arms whom she had come to know and love as her own So she turned to the one pastime that had always brought her solace baking Filled with delicious original cookie recipes *52 Weeks of Cookies* recounts a mom s unique methods of coping during her son s deployment With plenty of sugar cookies but no sugarcoating *52 Weeks of Cookies* is an honest uplifting story of family love during a crisis with all the fear grief laughter gratitude and joy that come with it When her 20 year old son was deployed to Iraq with just a few days notice Maggie McCreath desperately searched for her own mission to cope with the worry She found it with the help of flour sugar vanilla and lots of love Today
