Pets Where Do They Live:

DEI LEGACY Rico Paganini, 2021-10-15 After a passionate decade of spiritual research and numerous journeys to Earth's cultural and megalithic power spots Rico Paganini can conclusively prove that all the sacred books prophecies and the 4 cycle calendar agree in one aspect The turning point that will change everything is upon us NOW One man bears witness in this book because he can no longer remain silent and may wait no longer What he has to reveal is simply too significant for humankind The great Plan of Creation and the Plan of Redemption that will lead aligned people towards the light The message that he delivers must manage to reach people now Because time is running out Only a few years remain before the turning point to return to the divine spheres There are perhaps just two decades remaining The author did not choose this messenger role Rather he accepted that an experience he had destined him to spread the word about the Divine Legacy He is driven neither by ambition nor a craving for recognition but instead love and a promise To feel that is what makes his calling so authentic and touching For him it is like the person who discovers that a medicinal herb can heal a terrible illness And now nothing can and may prevent him from informing all those who have the illness before it is too late He does not expect gratitude He does not need personal recognition Only one thing matters to him that the ascension of souls is successful And that is what *DEI LEGACY* is all about the most important healing of all Just that And that is everything This book reveals a wondrous holistic view to all those who able to receive its message without preconceptions and with the strength of their hearts as well as a wonderful perspective of this uncertain and fearful time at the beginning of the 3rd millennium
