Sean Farrell Moran

Ph Pearse:

Patrick Pearse and the Politics of Redemption Sean Farrell Moran, 1997-11 Annotation An intriguing analysis of Pearse within the context of contemporary Irish politics and culture **The Seven** Ruth Dudley Edwards, 2016-03-22 On Easter Sunday 23 April 1916 the seven members of the Irish Republican Brotherhood's military council met to proclaim an Irish Republic with themselves as the provisional government After a week of fighting with the British army on the streets of Dublin the Seven were arrested court martialled and executed Cutting through the layers of veneration that have seen them regarded unquestioningly as heroes and martyrs by many Ruth Dudley Edwards provides shrewd yet sensitive portraits of Ireland's founding fathers She explores how an incongruous group which included a communist visionary Catholic poets and a tobacconist joined together to initiate an armed rebellion that changed the course of Irish history Brilliant thought provoking and captivatingly told The Seven challenges us to see past the myths and consider the true character and legacy of the Easter Rising **Under the Raj** Sumanta Banerjee, 1998 Like other pre colonial socio economic formations the profession of prostitution underwent a dramatic change in Bengal soon after the British take over Under the Raj explores the world of the prostitute in nineteenth century Bengal It traces how from the peripheries of pre colonial Bengali rural society they came to dominate the center stage in Calcutta the capital of British India thanks to the emergence of a new clientele brought forth by the colonial order Sumanta Banerjee examines the policies the British administration implemented to revamp the profession to suit its needs as well as to screen its practitioners in a bid to protect its minions in the army from venereal diseases He also analyzes the class structure within the prostitute community in nineteenth century Bengal its complex relationship with the Bengali bhadralok society and what is more important and fascinating for modern researchers in popular culture the voices of the prostitutes themselves which we hear from their songs letters and writings collected and reproduced from both oral tradition and printed sources **Christianity and the Making of Irish Law** David H. McIlroy, 2025-11-18 For almost two millennia the island of Ireland has continued to have an impact on European and English speaking Christianity and culture out of all proportion to its size and position This volume looks at key Irish figures beyond lawyers and judges whose ideas have impacted on the way law is conceived conceptualised and practised The work consists of four Parts each corresponding to a distinct historical phase During the Early Mediaeval Period Christian influence was visible both in Ireland's brehon legal system and in the treatises which Irish monks wrote on subjects such as the law of war and how to rule as a Christian prince In the post mediaeval period the Protestant Ascendancy required defenders of the new settlement whose ideas would have ramifications for the colonisation of the New World We also find Ireland producing thinkers of international stature such as Archbishop James Ussher Bishop George Berkeley and Edmund Burke who set a trend of Irish influence throughout the English speaking world The struggle for independence in the nineteenth and early twentieth centuries produced the towering figures of Daniel O Connell Edward Carson and Eamon de Valera as well as

Patrick Pearse the lodestar of the Easter Rising in 1916 In the twentieth century great Irish men and women who influenced English speaking culture include C S Lewis James Joyce Richard O Sullivan KC and Herbert McCabe They show the enduring importance of a commitment to reason and a desire for virtue against the backdrop of the conflicts both domestic and international which impacted Ireland With contributions drawn from Irish British and North American scholars and lawyers the diversity of international and methodological perspectives is a key strength of the volume The book will appeal to scholars lawyers and students interested in the history of ideas the interplay between religion and law and Ireland as a place of contestation experimentation and generation of new ideas Synge and Edwardian Ireland Brian Cliff,Nicholas Grene,2011-11-17 The dramatic career of the Irish playwright J M Synge from his first plays in 1902 to his premature death in 1909 almost exactly coincided with the years of Edward VII s reign Those years have long been studied in a British context but Synge and Edwardian Ireland is the first book to explore the cultural life of Edwardian Ireland as a distinctive period By emphasizing several less familiar Irish contexts for Synge s work including a new sociological awareness the rise of a local celebrity culture an international theatre context the arts and crafts movement Irish classical music and comedic writing by Somerville and Ross this collection shows how the Revival s preoccupation with folk culture intersected with the new networks of mass communication in the late imperial world Although Synge is best known as a dramatist this book concentrates on his prose and the ethnography of his photographs the work in which his engagement with Edwardian Ireland can be most significantly seen Often misunderstood as apolitical Synge s writings and photography display a romantic resistance to modernity alongside their more accurate observations of contemporary conditions It is through this ambivalent modernity that his work continued to haunt not just advocates like W B Yeats but even Synge s critics including Padraic Pearse and James Joyce all of whom were forced to come to imaginative terms with Synge through their own work This book aims to change readers sense of Synge s significance and by doing so to illuminate in a quite new way the era of Edwardian Ireland during this period of rapid modernization **Muscular Nationalism** Sikata Banerjee,2012 Concerned chiefly with views and events of the 19th and 20th centuries Discusses deviations from a putative ideal of femininity characterised by chastity and inactivity Manuscript Sources for the History of Irish Civilisation National Library of Ireland,1965 Politische Geheimbünde im Völkergeschehen Eugen Lennhoff,1932 The Great War Herbert Wrigley Wilson,Sir John Alexander Hammerton,1916 **The Letters of P.H. Pearse** Padraic Pearse,Séamas Ó Buachalla,1980 Pádraic Mac Piarais Roisín Higgins,Regina Uí Chollatáin,2009 P H Pearse is one of the most contested figures in Irish history and as an abstracted and abused icon he has become increasingly detached from the writings and actions of the man Despite his influence over twentieth century Irish history and culture Pearse has been under studied in recent decades This volume of essays redresses this academic imbalance and provides a long overdue study The Life and After Life of P H Pearse brings together the work of an exciting range of leading contemporary scholars such as Declan Kiberd Joost Augusteijn Angela

Bourke and Thomas Hennessey The book examines personal and family influences and reassesses Pearse as an educationalist
 journalist Irish language advocate short story writer radical thinker and political figure The book revisits the life of Pearse
 with a view to his relevance to present day theories and teachings on history language literature and culture and presents a
 complete critical work in the lead up to the 100 year commemoration of his death Urania ,1917 *Wissenschaftliche*
Beiträge ,1981 **Parliamentary Debates (Hansard)**. Great Britain. Parliament. House of Commons,1917 Contains the
 4th session of the 28th Parliament through the session of the Parliament **Women of the Dáil** Jason K. Knirck,2006
 Women of the Dáil explores the role of political women during the Irish revolution specifically those who were Dáil deputies
 and related to recently deceased patriots These women successfully used familial links to bolster their political credibility
 during the years after the Easter Rising but found this rhetorical strategy much more difficult to deploy in the wake of the
 Anglo Irish Treaty Drawing on a number of published and unpublished sources Women of the Dáil analyzes this rhetorical
 shift in order to explain the interplay between gender republicanism and the Irish revolution **Studies** ,1995 An Irish
 quarterly review Schulthess' europäischer geschichtskalender ,1921 **Schulthess' europäischer Geschichtskalender**
 ,1921 Europäischer Geschichtskalender ,1921 *History Review* ,2001

The Top Books of the Year Ph Pearse The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Ph Pearse : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
