Peres, 2013-05-29 This volume is a complete revision of the 1996 third edition shares the ever changing breadth of photographic topics with a special emphasis on digital imaging and contemporary issues Produced by an international team of photographic and imaging experts with collaboration from the George Eastman House the world's oldest photography museum this fourth edition contains essays and photographic reproductions sharing information where photography and imaging serve a primary role ranging from the atomic to the cosmic The Collectible Moment Gloria Williams Sander, Therese Mulligan, Norton Simon Museum (Pasadena, Calif.), 2006 Publisher description

**The Concise Focal Encyclopedia of Photography** Michael Peres, 2014-06-20 Defining photography is impossible Revealing it is another matter and that's what The Concise Focal Encyclopedia of Photography does with each turn of the page History The technical origins and evolution of photography are half of the story The other half consists of the ways that cultural forces have transformed photography into a constellation of practices more diverse than any other mode of representation Photographers can tell a more in depth story through a photo like Dorothea Lange's Migrant Mother than a journalist ever could with the written word alone Major themes and practitioners Over 25 entries many with supporting illustrations examine the figures trends and ideas that have contributed most heavily to the history and current state of photography Contemporary issues The issues influencing photography today are more complex than at any other time in its history Questions of ethics desire perception digitization and commercialization all vie for attention Hear what the experts have to say about crucial issues such as whether or not the images we take today will last the test of time and if so how When material is covered this skillfully concise is no compromise The Concise Focal Encyclopedia of Photography is packed with useful information compelling ideas and best of all pure pleasure **Jahresbibliographie Massenkommunikation**, 1998

**American Photo**, 2000-05 *Georgia O'Keeffe and the Camera* Susan Danly, 2008 From her appearance as a provocative young artist in Alfred Stieglitz's photographs to her depiction as a grande dame of the art world in silkscreens by Andy Warhol Georgia O'Keeffe captivated the media with her image of a woman as bold as her art This beautifully illustrated book tells the stories behind the portraits of one of the 20th century's foremost American painters O'Keeffe's professional and personal relationships with the leading photographers of her time come to light as does her ability to shape public perceptions of her career Stieglitz first created photographs of his protegee posing in front of her abstract artworks as a manifestation of a sexually liberated woman O'Keeffe later redefined her image sometimes working with photographers at her homes in New Mexico where she emerged as a rugged individualist among the animal bones and gnarled trees that she often painted This publication brings together for the first time photographs by Stieglitz Newman Loengard Webb and others many of which probe fascinating tensions between abstractionism and realism in O'Keeffe's art In addition a selection of O
