Philonis Alexandrini Opera Quae Supersunt Volume VII Part II Indices Ad Philonis Alexandrini Opera:

Studia Philonica Annual XXV, 2013 David T. Runia, Gregory E. Sterling, 2013-10-02 The *Studia Philonica Annual* is a scholarly journal devoted to the study of Hellenistic Judaism particularly the writings and thought of the Hellenistic Jewish writer Philo of Alexandria circa 15 B C E to circa 50 C E *The Studia Philonica Annual*, 1990 [Philo of Alexandria On Planting](#) Albert Geljon, David Runia, 2019-11-04 The Jewish exegete and philosopher Philo of Alexandria has long been famous for his complex and spiritually rich allegorical treatises on the Greek Bible The present volume presents first translation and commentary in English on his treatise *De plantatione* On planting following on the volume devoted to *On cultivation* published previously by the same two authors Philo gives a virtuoso performance as allegorist interpreting Noah's planting of a vineyard in Genesis 9:20 first in theological and cosmological terms then moving to the spiritual quest of both of advanced souls and those beginning their journey The translation renders Philo's baroque Greek into readable modern English The commentary pays particular attention to the treatise's structure its biblical basis and its exegetical and philosophical contents **Auf seinen Namen werden die Völker hoffen** Carolin Ziethe, 2018-06-25 Die Studie verbindet die Frage nach der Kompatibilität von partikularen und universalen Heilsaussagen im Matthäusevangelium mit der Erkenntnis, dass die Schriften Israels der primäre und autoritative Intertext der mattschen Gemeinde sind Aufbauend auf der Darstellung, welche Vorstellungen des Heils für die Völker es bereits in den Schriften Israels gibt, rückt die Frage nach der mattschen Schriftenrezeption in den Fokus, wobei neben den Schriftziten auch theologische Konzepte im Blick sind Dabei ist auffällig, dass nicht allein Texte rezipiert werden, die selbst vom Heil für die Völker sprechen, sondern Begründungszusammenhänge auch über eine schriftengebundene Christologie gestiftet werden Das intertextuelle Netz erscheint weder als beliebiger Verweiskatalog noch als monokausale Begründungslinie, sondern als durchdachtes und kohärentes Ganzes Das Heil für die Völker ist im Matthäusevangelium als durch die Schriften Israels begründet dargestellt und als ihnen gem entfaltet Es ist von Anfang an mit dem Heil Israels zusammengedacht und beide werden untrennbar aufeinander bezogen Die Arbeit wurde mit dem Ruprecht-Karls-Preis 2018 ausgezeichnet [Revelation and Mystery in Ancient Judaism and Pauline Christianity](#) Markus Bockmuehl, 2009-10-01 The theme of revealed heavenly mysteries was a commonplace in Judaism from which it passed on to Christianity Markus Bockmuehl outlines how this theme developed by showing where ideas of revelation and mystery coalesce An interesting and very thorough study *Journal of Biblical Literature* A thoughtful and illuminating study of a subject which rather surprisingly in the light of its centrality to the question of Christian origins has not hitherto been investigated in detail Whereas both revelation and mystery have been studied separately in the context of early Jewish and Christian literature Bockmuehl's original contribution is to examine the interconnectedness of the two ideas *Journal of Jewish Studies* This book is an excellent contribution to biblical scholarship It synthesizes the light that a biblically based mystery sheds on revelation and revelation sheds on mystery Bockmuehl treats admirably many difficult passages and scholarly

disputes He develops the progress of biblical understanding regarding revelation and mystery carefully balancing analysis with synthesis a talent that is somewhat rare of late Journal of Ecumenical Studies A most useful study Bockmuehl has brought together material from an enormously wide range of primary and secondary literature for which we are greatly in his debt Journal of Theological Studies For single authors like Philo Josephus and especially Paul Bockmuehl s studies significantly add to the discussion Religious Studies Review Bockmuehl examines the concepts of revelation and mystery not as distinct entities but in their theological interplay the revelation of heavenly mysteries This book s breadth and depth will repay the attentive reader Journal for the Study of the New Testament

Signs of Salvation Anthony M Moore, 2013-09-26

Was Mary Magdalene really mistaken when she took the Risen Lord to be a gardener working near the tomb where Christ was laid after the crucifixion In this compelling volume Anthony M Moore persuasively argues that Jesus must be recognised at atheological level as the Gardener the Creator God Himself The author skilfully examines the strong evidence available to the reader that the narrative material of the Book of Signs John 2 12 together with the High Priestly Prayer of John 17 is deliberately infused with the fundamental theme of creation The first sentence of the Gospel in the beginning meaningfully echoes the start of Genesis and sets the tone for what is to come Creation indicators or leitmotifs which link the signs narratives in the Fourth Gospel to the sequence of the days of creation are unpicked in this volume in a careful survey of the placement of particular nouns and verbs within the narratives and how often they occur Upon these foundations the author builds his strikingly original thesis that each miraculous sign of John 2 12 corresponds to a day of creation and that subtly but unmistakably John intends to reveal Jesus as the Creator in all His glory A book that offers a novel and enlightening way of reading John s Gospel Signs of Salvation will interest any reader seeking a deeper understanding of a fundamental truth about Christ s nature He is the God of creation at one with and participating in the creative work of the Father

Literarisches Centralblatt für Deutschland ,1930 Երվանդ Բաբայան Երվանդ Բաբայան Երվանդ Բաբայան Երվանդ Բաբայան Երվանդ Բաբայան Երվանդ Բաբայան Lajos Blau, 1927

Hebräisches Evangelium und synoptische Überlieferung Guido Baltes, 2011 English summary Guido Baltes argues that the quest for possible Hebrew origins of the gospel tradition might provide a useful methodological tool for work on the synoptic problem He sets out to paint a picture of a trilingual language milieu for the period of Second Temple Judaism in which spoken Hebrew is used alongside Aramaic and Greek both as a vernacular and literary language and suggests that Hebrew should therefore be considered as a possible linguistic milieu of origin for the early gospel tradition Selected passages from the synoptic tradition are hypothetically retroverted into a linguistically plausible Hebrew language form to enable their placement within the context of early Jewish literature From here a possible history of tradition is reconstructed that includes the transition from the Hebrew to the Greek language milieu and the formation of different synoptic variants The results of the study tentatively point into the direction of an early proto-matthaean stage of the gospel tradition preceding the three canonical gospels German description Guido Baltes untersucht inwieweit die Frage nach einer

hebraischen Frühgestalt der Evangelientradition einen weiterführenden Beitrag zur Arbeit am synoptischen Problem liefern kann. Er zeigt zunächst, dass in der jüdischen Welt des zweiten Tempels entgegen verbreiteter Annahmen das Hebraische neben dem Aramaischen und dem Griechischen als gleichwertige Alltags- und Umgangssprache Verwendung fand und daher auch als linguistisches Ursprungsmilieu der Evangelientradition in Betracht gezogen werden muss. Im Anschluss analysiert er anhand ausgewählter Perikopen die mögliche hebraische Frühgestalt einzelner Überlieferungen, um diese historisch plausibel in den Kontext jüdischer Literatur einzuordnen und dann auch Rückschlüsse für die synoptische Frage zu ziehen. Im Ergebnis zeichnet sich ein komplexes Modell synoptischer Beziehungen ab, in dem eine protomattthaisch geprägte Frühform der Überlieferung den drei kanonischen Evangelien vorausgeht.
