## **Philippines A Singular And A Plural Place:**

The Philippines David Joel Steinberg, 2018      The Philippines David Joel Steinberg, 1994-03-02 In his 1982 endorsement of the first edition of this book the late Benigno Aquino Jr noted that anyone wanting to understand the Philippines and the Filipinos today must include this book in his must reading list His recommendation holds equally true for the third edition of this widely praised work The author has extensively revised his classic to assess Aquino's legacy and the transition to the Ramos presidency making even more valuable a work Benigno Aquino found endlessly readable and illuminated by penetrating insights into the complex character of the Filipino      **The Philippines** David Joel Steinberg, 2018-02-19 A unified nation with a single people the Philippines is also a highly fragmented plural society Divided between uplander and lowlander rich and poor Christian and Muslim between those of one ethnic linguistic and geographic region and those of another the nation is a complex mosaic formed by conflicting forces of consensus and national identity and of division and instability It is not possible to comprehend the many changes in the Philippines such as the rise and fall of Ferdinand Marcos or the revolution that toppled him without an awareness of the religious cultural and economic forces that have shaped the history of these islands These forces formed the focus of the first edition of *The Philippines* Of that 1982 edition the late Benigno Aquino Jr noted that anyone wanting to understand the Philippines and the Filipinos today must include this book in his must reading list The fourth edition has been updated through the final years of the Ramos presidency and contains a new section on the impact of President Estrada      **The Philippines** David Joel Steinberg, 1990-09-19      **Von Sonnenschirmen und Wilden Horden , Asian Place, Filipino Nation** Nicole CuUnjieng Aboitiz, 2020-07-14 The Philippine Revolution of 1896-1905 which began against Spain and continued against the United States took place in the context of imperial subjugation and local resistance across Southeast Asia Yet scholarship on the revolution and the turn of the twentieth century in Asia more broadly has largely approached this pivotal moment in terms of relations with the West at the expense of understanding the East East and Global South connections that knit together the region's experience Asian Place Filipino Nation reconnects the Philippine Revolution to the histories of Southeast and East Asia through an innovative consideration of its transnational political setting and regional intellectual foundations Nicole CuUnjieng Aboitiz charts turn of the twentieth century Filipino thinkers and revolutionaries Asianist political organizing and proto national thought scrutinizing how their constructions of the place of Asia connected them to their regional neighbors She details their material and affective engagement with Pan Asianism tracing how colonized peoples in the periphery of this imagined Asia focusing on Filipinos but with comparison to the Vietnamese reformulated a political and intellectual project that envisioned anticolonial Asian solidarity with the Asian center of Japan CuUnjieng Aboitiz argues that the revolutionary First Philippine Republic's harnessing of transnational networks of support activism and association represents the crucial first instance of Pan Asianists lending material aid toward anticolonial revolution against a Western power Uncovering the Pan Asianism of

the periphery and its critical role in shaping modern Asia Asian Place Filipino Nation offers a vital new perspective on the Philippine Revolution s global context and content »**Ein guter Mann ist harte Arbeit**« Andrea Lauser,2015-09-15 Das Ph nomen der internationalen interkulturellen Heiratsmigration gewinnt seit Jahren zunehmend an Bedeutung In ihm verweben und verdichten sich vielf ltige Dynamiken zwischen Globalem und Lokalem zwischen Konomie Kultur und Geschlecht zwischen Heirat und Ehe sowie zwischen Familie und Arbeit auf komplexe Weise In dieser ethnographischen Migrationsstudie wird anhand dichter Fallbeschreibungen die Vernetzung zwischen Herkunft und Zielland philippinischer Heiratsmigrantinnen nachgezeichnet Auf der Spurensuche nach kulturellen Bedeutungszusammenh ngen ebenso wie nach allt glichen Lebensstrategien wird eine kreative Verschr nkung von kleinen und gro en Erz hlungen und ethnologischen Interpretationen und Analysen hergestellt Im Ergebnis wird mit zahlreichen Klischees ber Heiratsmigrantinnen aufger umt

*The Encyclopedia of the Spanish-American and Philippine-American Wars* Spencer C. Tucker,2009-05-20 A comprehensive overview of the wars that saw the United States emerge as a world power one that had immense implications for America especially in Latin America and Asia ABC CLIO acclaimed publisher of superior references on the United States at war revisits a pivotal moment in America s coming of age with *The Encyclopedia of the Spanish American and Philippine American Wars A Political Social and Military History* Again under the direction of renowned scholar Spencer Tucker the encyclopedia covers the conflict between the United States and Spain with a depth and breadth no other reference works can match The encyclopedia offers two complete volumes of alphabetically organized entries written by some of the world s foremost historians covering everything from the course of the wars to relevant economic social and cultural matters in the United States Spain and other nations Featuring a separate volume of primary source documents and a wealth of images and maps the encyclopedia portrays the day to day drama and lasting legacy of the war like never before guiding readers through a seminal event in America s transition from the Gilded Age to the Progressive Era Places for Happiness William Peterson,2016-02-29 *Places for Happiness* explores two of the most important performance based activities in the Philippines the processions and Passion Plays associated with Easter and the mass dance phenomenon known as street dancing The scale of these handcrafted performances in terms of duration time commitment and productive labor marks the Philippines as one of the world s most significant and undervalued performance centered cultures Drawing on a decade of fieldwork William Peterson examines how people come together in the streets or on temporary stages celebrating a shared sense of community and creating places for happiness The first half of the book focuses on localized and often highly idiosyncratic versions of the Passion of Christ Peterson considers not only what people do in these events but what it feels like to participate The book s second half provides a window into the many expressions of street dancing Street dancing is inflected by localized indigenous and folk dance traditions that are reinforced at school and practiced in conjunction with religious civic festivals Peterson identifies key frames that shape and contain the individual in the Philippines while tracking how the

local expands its expressive home by engaging in a dialogue with regional national and diasporic Filipino imaginaries Ultimately Places for Happiness explores how community based performance responds to and fulfills basic human needs Many Filipinos rely on family members and immediate neighbors for support and sustenance and community based performance assumes a unique and leading role in defining reinforcing and celebrating shared belief systems By bringing forth the internal phenomenological and embodied aspects of a range of community based practices contributing to human happiness the book offers a cultural framework that interweaves the individual experience with that of the collective plotting out what resides inside the body through the coordinates of culture
