Failing Universities Howard Karger, David Stoesz, 2024-10-31 Colleges and universities were once places where students came to learn experts intellectuals and others came to teach and where knowledge was created Today America's higher education system is severely compromised by commodification and corporatization which have transformed higher education into a marketplace This book examines the effects of these transformations providing a comprehensive critique of the problems the sector faces It outlines how higher education's commodification has impacted areas including affordability access waste hierarchal administrative structures faculty governance the college sports industrial complex and status and social mobility based on institutional prestige The authors explore alternative policy solutions and examples of systems of higher education that are both effective and cost effective They propose a forward looking agenda for structural reform that is less expensive and more educationally sound than the current model Emphasising social cohesion sustainability a respect for diversity and an understanding of democracy and democratic principles *Failing Universities* offers alternative solutions for US higher education to return to its basic mission

Agricultural Marketing and Price Analysis F. Bailey

Norwood, Jayson L. Lusk, Derrell S. Peel, John M. Riley, 2021-12-20 Friendly and readable *Agricultural Marketing and Price Analysis* presents a comprehensive approach to agricultural price analysis agricultural market structures and agricultural marketing strategies The authors engage students with very little exposure to economics and with only a basic grasp of algebra The text utilizes a fresh approach and supplies thorough coverage of core topics as well as complex topics such as general equilibrium models game theory and econometrics It also provides an introduction to data analysis and incorporates many examples Supplemental materials are available for additional practice and further exploration Unique to the Second Edition is the inclusion of a chapter on consumer behavior and food preferences as well as relevant areas of research The authors introduce readers to the agricultural supply chain including forecasting and inventory management Succinct and approachable this text sets the stage for an enjoyable and effective learning experience

Sports, Media, and Society Kevin Hull, 2024-03-26 Whether espoused by sports leagues teams or individual athletes social issues are part of the sporting world fabric The sports media often plays the gatekeeper deciding how messages are presented and to what extent they're covered if at all *Sports Media and Society* investigates the impact of societal issues in sports and how the media reports those stories Why does the sports media operate in the manner that it does and what's the impact of its decisions on the audience With *Sports Media and Society* there is now a resource that combines mainstay class discussion points current case studies and theoretical and historical foundations in one comprehensive text The book's 34 chapters are each short and concise a format preferred by instructors covering a wide range of topics and easily digestible for students Part I covers sports media history and the media's role as gatekeeper Chapters explore the history and evolution of various media newspapers magazines radio television and social media and the business of and competition between sports media entities Case studies examine NBC's

Olympics coverage and the nimbleness of Sports Illustrated in the digital space Part II showcases television's impact on how fans follow sports Discussions include ABC's Wide World of Sports which exposed viewers to events around the globe ESPN's foray into 24/7 sports coverage and Fox Sports shocking NFL deal which marked a new era in media rights negotiations and sports broadcasting technologies The intersection of sports and social issues is the focus of part III Numerous issues are addressed punctuated by case studies involving key players and events related to each topic Cases concerning Colin Kaepernick USWNT and coverage of women's sports generally LGBTQ issues and obstacles faced by women working in sports media are highlights while examinations of social identity theory and framing provide context on how people identify with specific groups and how the media influences opinions Athletes and sport entities are constantly in the news not always in a positive light Part IV addresses crisis management and communication featuring case studies about Tiger Woods Lance Armstrong LeBron James The Decision Kobe Bryant his death and the misreporting of facts surrounding it and the Houston Astros sign stealing scandal The text concludes with part V which explores emerging trends in sports media and society Through social media virtually anyone can become a thought leader wresting control from traditional outlets and teams and athletes can dialogue directly with fans effectively sidelining sports journalists Chapters on the formerly taboo subjects of athlete mental health and sports wagering as well as the exploding popularity of esports round out the text Sports shape our culture in numerous ways and the sports media plays a transformative role in how it occurs Sports Media and Society prepares tomorrow's sports journalists and communicators to venture beyond the how-tos of developing content to understanding the whys behind it
