Nba Preseason Smart Home Best:

The NBA's Global Empire Joshua K. Wright, 2025-02-21 During the 1992 Summer Olympics in Barcelona the Dream Team a collective of the National Basketball Association's top talent led by Michael Jordan Magic Johnson Larry Bird and Charles Barkley shook up the world as they amazed spectators and opponents on their way to winning gold Their success introduced the world to the NBA's charismatic superstars and their artistic brand of basketball Over the next two decades youth outside of America dreamed of becoming the next Michael Jordan Kobe Bryant and LeBron James The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies By the 2022-23 NBA season there were 109 international players from 39 countries a Canadian franchise and a league in Africa Today's best players are Africans Canadians and Europeans like Nikola Jokic and Victor Wembanyama This book presents the history of the NBA's ascension to a billion dollar global empire analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium How essential is globalization for the NBA to thrive in the 21st century Do the benefits outweigh the geopolitical controversies associated with being a global brand Is globalization responsible for a decline in American born NBA players and declining domestic popularity These questions and others are answered in this first treatment of the NBA's global reach

The Education of Kendrick Perkins Kendrick Perkins, 2023-02-21 The Education of Kendrick Perkins is an intimate memoir about race fatherhood and basketball from former NBA player and outspoken cultural critic Kendrick Perkins At age eighteen Kendrick Perkins left his grandparents' run down yellow house in Beaumont Texas for the last time Sure he'd traveled the country for camps and tournaments He'd banged and bruised with the biggest and most skilled players the amateur basketball world had to offer But he'd always come back home In this powerful and intimate memoir readers follow Perkins on his journey from small town Texas athlete to the NBA Both on and off the court Perk gained a reputation for his candor and conviction his unabiding sense of right and wrong Now he tells all offering the sports insights for which he has become a stellar ESPN commentator and for the first time ever sharing frank opinions about racial justice political consciousness and fatherhood Years spent playing against and alongside giants like Kobe Bryant and LeBron James helped shape Perk's athleticism but this is a story all his own the story of an education

Tanking to the Top Yaron Weitzman, 2020-03-17 Enter the City of Brotherly Love and see how the NBA's Philadelphia 76ers trusted The Process using a bold plan to get to first by becoming the worst When a group of private equity bigwigs purchased the Philadelphia 76ers in 2011 the team was both bad and boring Attendance was down So were ratings The Sixers had an aging coach an antiquated front office and a group of players that could best be described as mediocre Enter Sam Hinkie a man with a plan straight out of the PE playbook one that violated professional sports Golden Rule You play to win the game In Hinkie's view the best way to reach first was to embrace becoming the worst to sacrifice wins in the present in order to capture championships in the future And to those dubious Hinkie had a response Trust The Process and the

results will follow The plan dubbed The Process seems to have worked More than six years after handing Hinkie the keys the Sixers have transformed into one of the most exciting teams in the NBA They've emerged as a championship contender with a roster full of stars none bigger than Joel Embiid a captivating seven footer known for both brutalizing opponents on the court and taunting them off of it Beneath the surface though lies a different story one of infighting dueling egos and competing agendas Hinkie pushed out less than three years into his reign by a demoralized owner a jealous CEO and an embarrassed NBA was the first casualty of The Process He'd be far from the last Drawing from interviews with nearly 175 people Tanking to the Top brings to life the palace intrigue incited by Hinkie's proposal taking readers into the boardroom where the Sixers laid out their plans and onto the courts where those plans met reality Full of uplifting rags to riches stories backroom dealings mysterious injuries and burner Twitter accounts Tanking to the Top is the definitive inside story of the Sixers Process and a fun and lively behind the scenes look at one of America's most transgressive teams Including exclusive interviews with Joel Embiid Ben Simmons and Coach Brett Brown Sam Hinkie and more

The Wizard of Odds Charley Rosen, 2011-01-04 In The Wizard of Odds renowned and best selling basketball writer Charley Rosen brings us for the first time the full life story of Jack Molinas one of the greatest basketball players of his era a man whose gambling addiction and hubris caused his ultimate demise Drawing on numerous previously unavailable first person accounts including Jack Molinas's own journal and trial transcripts Rosen presents the true saga of a man who perhaps better than anyone around him understood the weaknesses of the system in which he lived so much so that he convinced himself that he could manipulate that system to his advantage with total impunity in a life's journey that took him from NBA play to the Mafia and the pornographic film industry and to an ultimate tragic destiny

Shaq Talks Back Shaquille O'Neal, 2014-07-01 Funny insightful opinionated and unexpectedly moving Shaq Talks Back presents the true voice of one of the NBA's greatest players as he looks back on life during his first championship with the Los Angeles Lakers It's rare to discover a candid sports autobiography even rare when the author is one of the most recognizable athletes in the world But in Shaq Talks Back Shaquille O'Neal for the first time talks frankly about his childhood his life his rivalries and his career culminating in a dramatic behind the scenes account of the Los Angeles Lakers drive to the NBA Championship At seven feet one inch tall and 330 pounds Shaq has always faced outsized expectations even as a child when he towered over other kids Shaq Talks Back is the story of how potential became reality how someone expected to be a champion finally learned to become one Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers Shaq takes us back to his younger days in Newark and Jersey City New Jersey then to Georgia and finally to Germany where he began to harness some of his height and strength From there he recounts the remarkable progress of his basketball career changing from a big but inexperienced teenager to a dominant college and professional player Shaq talks about Playing at Louisiana State University for the unpredictable coach Dale Brown Signing the biggest rookie contract ever with the Orlando Magic and going to the NBA

Finals for the first time What happened next dissention disappointment and his decision to leave for Los Angeles The dysfunctional Lakers who were never able to win the big games Dealing with egos as he finds the right chemistry with Kobe Bryant Phil Jackson and new additions to the team Rivalries with Alonzo Mourning Patrick Ewing Hakeem Olajuwon David Robinson and others The trouble with free throws Inside the Lakers comeback from the brink against Portland and the drive to the 2000 NBA championship The Basketball 100 The Athletic, David Aldridge, John Hollinger, 2024-11-26 A celebration of basketball by way of the 100 greatest players to ever grace the court in the history of the NBA from The Athletic's foremost basketball writers and analysts the game has to offer With a foreword by Charles Barkley Over the course of 100 luminous player profiles the best sports newsroom on the planet paints vivid portraits of the game's most compelling characters There's George Mikan who was cut from his high school team because he wore glasses then went on to become the fledgling NBA's first transcendent star Gary Payton called The Glove for his skintight defense who talked as much trash to his teammates as he did to his opponents on the court Dennis Rodman who started playing basketball at age 20 and in a few short years went from working as a janitor at the airport to being one of the strangest superstars that sport has ever known Allen Iverson who drew inspiration from hip hop for his inimitable style and swagger on and off the court Kareem Abdul Jabbar who was so dominant in the paint that they changed the rules and Steph Curry who was so dominant outside it that he seemed to expand the very boundaries of the court The Basketball 100 edited by award winning reporters David Aldridge and John Hollinger also answers the game's toughest most important questions How should we weight championship rings versus statistical profiles versus the eye test Were the great players of yesteryear like Wilt Chamberlain and Bill Russell propelled by the inferior athleticism of their competition or would they have been transcendent in any era And of course who's the GOAT MJ or LeBron Speaking of GOATs for the book Hollinger inventor of the statistical metric PER has created a new benchmark GOAT Points Wonderfully written authoritative and full of joy The Basketball 100 is a fitting tribute to the greatest sport in the world *Here Come the Colts* Doug Bennett, 2012-09 Here Come the Colts That was the slogan that was written on the side of the team buses and this is the story of a decade of championship football the Atlanta Colts of the 1970's who won 17 of a possible 30 championships in the three age weight classifications of the Georgia Youth Football Conference from 1970-1979 dominating that league in that decade This book is about the players and coaches in the decade of the 1970's for this Atlanta Colt youth football program the ACYA based in north Atlanta Georgia who participated in the three age and weight classifications of the varsity program It also includes information and recounts about some of the opposing teams and their coaches and layers that made up metropolitan Atlanta's most competitive big league youth football organization of the era of the 1970's the Georgia Youth Football Conference It is the author's tribute to the ACYA founder and leader the late Bob Johnson who is mentioned frequently throughout the book The Atlanta Colt Youth Association program aka ACYA was often referred to as the number one Pop Warner sanctioned youth football program in the entire US

in the 1970 s The book is written in narrative from the perspective of the author who participated as one of the Varsity Colt head coaches in the last eight years of that decade 1972 1979 and observed the 1970 and 1971 seasons from an Interleague coaching position within that same famous Pop Warner program The chapters detail the author s recollections and opinions and most of the detail centers mainly around his own players and teams experiences The author provides season by season summaries of each of the varsity Colt teams highlighting some of the most important games in which his own team participated with capsules of many others He also reveals some of the strategies employed in detail and the actual on the field rationale and logic behind many of the significant plays and events in some of those games The author is Doug Bennett who was a head coach for the varsity Colts for nine years and participated in the ACYA program a total of 12 years from 1969 1980 In the subject decade of this book the 1970 s Bennett was a varsity Colt Head Coach for the years 1972 1979 His teams won six consecutive GYFC championships from 1972 to 1977 finishing second in 1978 and third in 1979 Using a combination of research from written historical material actual game films and the author s memory as much detail as possible is written including the author s recollection of specific game circumstances situations and plays with emphasis on individual player and team performances etc There are chapters describing the program s and author s philosophies and strategies on Offense Defense Special Teams Practice and Game Preparation providing written description and analysis of how these championship teams were built from the first day of practice through the end of a season as it was learned from the legendary Coach Bob Johnson The ACYA program was not only a football program for the children it was almost a society within the society of the Dunwoody area and surrounding neighborhoods in the northern suburbs of Atlanta Georgia particularly in the decade of the 70 s It was run totally by adult volunteers whose dedication allowed the program to prosper and flourish from its inception in 1965 The ACYA program was the annual focal point in the lives of these families from the start of football tryouts in early August until the last bowl games in December for all of the years they were involved Lifelong friendships were formed there among the children football players and the adult parents and volunteers in those families The program still serves the community today and many of the volunteers who have been involved in recent years are former players from the era discussed in this book
