**Unlocking the Potential of OpenAI's ChatGPT** DAVID YAO, Have you heard of OpenAI's ChatGPT but have no idea what it is or how to use it? Look no further! This book provides a comprehensive introduction to this revolutionary language model. In this book, the author takes you through the history of ChatGPT and its capabilities, as well as its practical applications in fields such as customer service, content creation, and data analysis. You'll also learn how ChatGPT works and what sets it apart from other language models. But that's not all; the book also provides hands-on examples and tutorials to help you put your newfound knowledge into practice. The author will also address the limitations of the model and provide tips on how to achieve optimal results. Whether you're a data scientist, business owner, or student, this book is a must-read for anyone looking to understand and utilize the power of ChatGPT. With its comprehensive understanding of ChatGPT and its potential to transform the way we work and learn, this book is sure to be a valuable resource. So why wait? Get your hands on a copy today and let OpenAI's ChatGPT work for you.

**Passive Income through Digital Publishing** DAVID YAO, Publish your book digitally with online book publishing platforms like Amazon KDP, Apple Books, Google Play Books, and more. Enjoy greater control, global reach, and eco-friendliness while reaching a wider audience with marketing tools. Say goodbye to traditional publishing barriers. One of the key benefits of online book publishing is that it offers authors greater control over their work, as they can publish their books independently without relying on traditional publishing companies. It also allows authors to reach a global audience, as e-books can be purchased and downloaded from anywhere in the world. Online book publishing is also eco-friendly, as it eliminates the need for physical printing, shipping, and storage. This reduces paper waste and carbon footprint associated with traditional publishing methods. Overall, online book publishing is a great option for authors who want to publish their work and reach a wider audience without the barriers of traditional publishing methods.

**AI AGENTS FOR BEGINNERS** Unknown, Artificial intelligence is no longer the future; it's the present, and you don't need to be a programmer to harness its power. **AI Agents for Beginners: Automate Your Business Without Programming** is a practical, friendly, and empowering guide for entrepreneurs, creators, and professionals who want to use AI to simplify their work, scale their business, and save time—all without writing a single line of code. With clear explanations and real-world examples, Emilio Castillo shows you step by step how AI agents work, what tools you can use for free, and how to connect them so they perform tasks for you automatically: answering customers, generating content, analyzing data, or managing your social media while you focus on what really matters. You'll learn how to design smart workflows, create automated systems, and build a business that runs efficiently even when you're not around. If you've ever searched for how to use AI to save time, how to automate my business without coding, or how to make ChatGPT work for me, **AI Agents for Beginners** is the book you've been waiting for. It will help you turn curiosity into action and transform complex technology into something simple, practical, and profitable. Written in Emilio Castillo's signature tone—warm, accessible, and deeply motivating—this book will change the way

you see technology Because the future doesn't belong only to coders it belongs to thinkers who know how to collaborate with intelligent systems AI Agents for Beginners will show you how to build a modern scalable business where AI works for you not the other way around And when you finish reading you'll realize that mastering artificial intelligence isn't about understanding machines it's about freeing your time to focus on what truly makes you human
