An Honest Kindle Booksales Blueprint - How to Break Out of the No-Sales Self-Publishing Basement to Start Earning Routine and Consistent Passive Kindle Income Dr. Robert C. Worstell, 2016-11-07 Why Does it Seem Everyone Thinks Beginning Authors are Already Rich It s not because their books are bringing them any income But the courses and services designed to help you just put you further in the hole It doesn t have to be that way This entire series was written with the idea that you can get started from the computer and internet connection you already have And nothing else After I got my own financial freedom from publishing books I was able to invest in some of these courses to see what I was still missing Funny enough that extra 500 per course taught me little I didn t already know And what I did learn was either wrong or I could have learned it for free from those same authors Here s the secret exposed You only have to write decent books and market them decently to get decent income And you should be able to start writing today self edit and proof when you re done then self publish for no more than your own sweat equity Get You Copy Now Congressional Record United States. Congress, 2011 **Commonwealth Caribbean Business Law** Natalie Persadie, Rajendra Ramlogan, 2010-04-20

Commonwealth Caribbean Business Law breaks away from the traditional English approach of treating business law primarily as the law of contract and agency The book takes a panoramic view of the foundation of various legal systems with a subsequent examination of different areas of legal liability that may affect business activities These areas include contract law agency tort law criminal law and internet law as significant challenges confronting the business sector The book primarily targets the development of business law in several Caribbean Commonwealth jurisdictions but also where appropriate embraces the jurisprudence of other Commonwealth nations such as the United Kingdom Canada and Australia With respect to internet law the proliferation of judicial pronouncements emerging from the United States provided the platform for the only non Commonwealth treatment of a topic The approach of the book is to use excerpts from judgments so as to allow students particularly the non legal student to understand legal principles as espoused by the judiciary without the filtering bias of authors **Online Bookselling** Michael E.
