

Updates to Financial Aid Eligibility Requirements: **Selective Service**

What is the Selective Service System?

The Selective Service System was created to rapidly provide personnel to the Department of Defense if authorized by the president and Congress. However, the U.S. military has been all-volunteer since 1973, and Congress would need to pass a new law to institute a draft.

How does the new Selective Service System policy impact me?

Previously, all male students were required to register with the Selective Service System in order to receive federal student aid. The requirement to register with the Selective Service System has now been removed. The Selective Service question will remain on the 2022-23 FAFSA® form, but your answer will not impact eligibility to receive financial aid.
