Internet Memes and Society Anastasia Denisova, 2019-03-21 This book provides a solid encompassing definition of Internet memes exploring both the common features of memes around the globe and their particular regional traits It identifies and explains the roles that these viral texts play in Internet communication cultural social and political implications significance for self representation and identity formation promotion of alternative opinion or trending interpretation and subversive and resistant power in relation to professional media propaganda and traditional and digital political campaigning It also offers unique comparative case studies of Internet memes in Russia and the United States *Internet Memes and Copyright Law* Brian Chun Lok Leung, 2025-09-30 This book explores the intricate relationship between copyright law and internet meme culture challenging an assumption that copyright is a barrier to digital creativity Using the lens of internet memes to analyse copyright law in the context of participatory remix culture the book confronts a common perception that copyright is the destroyer of internet memes on social media platforms Following the European Union's Copyright Directive widely known as the Meme Ban this book critically examines whether copyright might instead be reimagined to foster rather than inhibit re creations that define internet meme culture The book argues that this culture directly challenges copyright's core assumptions and proposes a new holistic approach to copyright that distinguishes between traditional and emergent forms of creative processes Arguing for a flexible interpretation of copyright that limits private proprietary rights in the case of internet memes it provides a legal framework to support socio cultural discourse without undermining copyright's foundational principles Covering core copyright concepts such as authorship idea expression originality fair dealing and user rights the book provides a compelling argument as to how copyright can adapt to the digital age as a protector of cultural expressions ensuring that internet memes are not only preserved but celebrated The book will be of interest to researchers in the field of copyright law the law of emerging technologies and intellectual property law *The Saturday Review of Politics, Literature, Science and Art*, 1877 Beijing's Global Media Offensive Joshua Kurlantzick, 2022-11-08 Beijing's Global Media Offensive is a major analysis of how China is attempting to build a media and information superpower around the world and to use it to impact many countries societies media markets politics and economies Joshua Kurlantzick traces the ways in which China is trying to build an information and influence superpower and critically examines the new conventional wisdom that Beijing has been extremely successful in these efforts In some ways he argues China has built the foundations of a global media and information superpower including global TV networks social media platforms global radio networks apps and the backbones of wireless and wired networking but has yet to reap many gains from its efforts and actually has alienated many other states **The Corset and Underwear Review**, 1913 Academy; a Weekly Review of Literature, Learning, Science and Art, 1874 The Poetical gazette the official organ of the Poetry society and a review of poetical affairs nos 4 7 issued as supplements to the Academy v 79 Oct 15 Nov 5 Dec 3 and 31 1910 Notes and Queries, 1894 *Athenaeum*, 1875

Digest; Review of Reviews Incorporating Literary Digest ,1900 **Gonzo Governance** David L. Altheide,2022-10-24

Drawing on social science and communications theory Gonzo Governance offers a new interpretation of presidential power that shifts focus to the media dynamics that surrounded Donald Trump The former president s unhinged behavior and skilled media and digital manipulations changed the nature and process of significant governance at the federal and state levels including denying election results and restricting voting opportunities He went Gonzo promoting himself without regard for conventional norms and practices and blasted ideological fault lines into explosive political fragments resulting in so much dissensus that numerous legislators would not recognize the newly elected President Biden nor would they agree to take a potential life saving vaccine because it had been associated with a politicized virus COVID 19 Nurtured by media logic and a communications ecology that has wedded people to digital technologies and formats that govern the structure grammar form expectations and meanings of messages that can entertain enlighten and disinform this form of governance alters the fundamental way that information is communicated David L Altheide emphasizes how these changes informed Donald Trump s electoral strategies as well as the insurrection attempt on the U S Capitol on January 6 2021 Mekong Work Programme 1993 ,1992 The Athenaeum ,1875 Spink & Son's Monthly Numismatic Circular ,1894 **Mathematical Reviews** ,2008 *The academy* ,1888 **Examining Millennials Reshaping Organizational Cultures** Ahmet Atay,Mary Z. Ashlock,2018-12-03 In From Theory to Practice Examining Millennials Reshaping Organizational Cultures contributors to the collection focus on several interrelated issues They examine the ways in which the members of the millennial generation influence how we work and communicate with our millennial students colleagues and employees They also elaborate on how to create work life balance for the members of the millennial generation and explore ways in which millennials can be open and responsive to others in a society who don t necessarily share the values political views or desires of the millennial generation nor the ways in which they prefer to communicate This collection engages in a scholarly dialogue about millennials and how their actions within the workplace and needs within organizational cultures and everyday performances influence our communication with them With equal importance it addresses the question of how millennials can become more adaptable in their communication with others in society especially within organizations with different generations or cultures that may or may not communicate the way they do Contributors suggest that the millennial culture should be carefully studied by employers instructors and researchers to create a better workplace experience and to also improve the level of communication among different generations in the workplace *The Dublin Review* ,1927 *Saturday Review* ,1877
