Doorbuster Near Me Tutorial:

Blue Warrior Mike Maden, 2014-10-16 Mike Maden exploded onto the military action scene with his blistering Drone Now he returns with another electrifying novel featuring hero Troy Pearce Rare earth minerals have been found in the remote Saharan desert and a rush of powerful nations converge to mine them But the territory belongs to the Tuaregs fierce warriors who are battling the Malian government for their independence With a vested interest in the rare elements the Chinese offer to help the Malian government fight the rebels Brilliant as the plan is in concept the execution backfires and the fighting renews in intensity as Al Qaeda joins the fray In the dead center of the chaos are Troy Pearce s closest friend and a mysterious woman from his past Deploying his team and the newest drones to rescue his friends and save the rebellion Troy discovers that he may need more that technology to survive the battle and root out the real puppet masters behind the Tuareg genocide

Play, Rewind John Vurro, 2025-04-29 Wes is stuck He should be spending his twenties finishing the schooling that will help him land a career in movies just like he s always dreamed about Instead he divides his time between clerking in the most low rent video store in Queens and caring for a mom struggling with Alzheimer s His father s out of the picture and he has no realistic means of finding care for her beyond the harried home nurse who s already on the brink of quitting but even though he s sure his mother won t even remember his efforts he s still committed to her Still he doesn t have much to do outside life s boring routines except pressing Play and Rewind to try and identify the moments when it all went wrong And maybe watching the random vacation video that some customer left at the store to be copied Then change A friend from high school returns to the neighborhood after a mysterious absence and a disreputable man from the neighborhood takes over the store He may or may not be mobbed up Who can say really It s not the sort of thing you ask your new boss And he finds out his father may be closer than he thinks In short order Wes s life s starting to look different Whether that s a good or a bad thing is tough to say the store s new owner wants to make easy money selling bootleg videos out front and we all know the FBI frowns on that sort of thing the high school friend may be too eager to make amends and to hide the secrets of her own past mistakes but still it s something Now Wes has to navigate feelings far more frightening than stasis and find a way forward despite everything pulling him back Play Rewind is a lovely literary look at a place near and dear to our hearts one we all might want to visit if we had a time machine the video store And it sends us to another vanished place peaceful and innocent pre 9 11 New York More importantly it s a great glimpse into lives we can all relate to people struggling against impossible odds unsure if anything will ever change It s a fantastic debut novel from an amazing new author John Vurro I loved it so much that after I read it I wanted to rewind back to the beginning and read it again Vurro s is a bold and brilliant new literary voice This beautiful novel moved me deeply Alena Graedon author of The Word Exchange
