Frank P. Jozsa, Jr.,2006-02-17 During the second half of the twentieth century Major League Baseball and its affiliated minor leagues evolved from local and regional entities governing the play of America s favorite pastime to national business organizations The relocation of teams league expansion the advent of free agency and an influx of international players has made baseball big business on an increasingly global scale Focusing on the last fifty years this work examines the past and present commercial elements of organized baseball emphasizing the dual roles competitive sport and profitable business which the sport must now fulfill Twenty five essays cover five areas integral to the economic side of baseball business and finance human resources international relations management and leadership and sports marketing Detailed discussions of the redistribution of revenues the history of player unionization aggressive global marketing strategies of franchise owners and an evaluation of fan costs among other topics introduce the reader to the

important issues and specific challenges professional baseball faces in an increasingly crowded yet geographically expansive sports marketplace The work is also indexed **Sports Market Place Directory** Richard Gottlieb,2007 *Chicago Tribune Index* ,2003 *TV Guide* ,2006 **The Boston Globe Index** ,2001 *Brandweek* ,2007 **Los Angeles** Brian Bell,2006 Insight City Guides draw on the best features of the original Insight Guides combining insightful writing and lavish full colour photography with a more portable format and greater emphasis on practical information to create the most complete portable travel guide Magazine style articles Lively essays written by local writers on culture history and people Expert evaluations of must see sites plus maps and floor plans A bonus take it with you Mini Restaurant Guide and City Map An 8 12 page street atlas Tabbed Travel Tips section for quick reference Comfortable rounded spine makes these volumes ideal for use on the go *The Wall Street Journal* ,2006 *Adweek* ,2005-04 **No Minor Accomplishment** Bob Golon,2008-02-22 America's pastime has roots in New Jersey dating back to 1846 when the first baseball game using modern rules was played on Elysian Fields in Hoboken The sport thrived throughout the state until the 1950s when fans began to turn away from local competition preferring to watch games broadcast on television to take a trip to see a major league team in New York or to frequent newly air conditioned movie theaters or bowling alleys By the early 1990s however a growing disenchantment with the high ticket prices and corporate atmosphere of Major League Baseball led to the revival of a purer form of the sport in the Garden State In *No Minor Accomplishment* sports historian and New Jersey native Bob Golon tells the story of the state's baseball scene since the Trenton Thunder arrived in 1994 Drawing on interviews with team owners and employees industry executives and fans Golon goes behind the scenes to show how maintaining a minor league ball club can be a risky business venture Stadiums cost millions to build and a team full of talented players does not immediately guarantee success Instead each of the eight minor league and independent professional teams in the state must tailor themselves to the communities in which they are situated Shrewd marketing is necessary to attract fans but Golon also explains how unlike Major League Baseball the business aspect of the minor and independent leagues is not something the average spectator notices For the fans baseball in New Jersey is wholesome exciting family entertainment
