Movement Nicole Gelinas,2024-11-05 A gripping account of how the automobile has failed NYC and how mass transit and a revitalized streetscape are vital to its post pandemic recovery In 1969 as all students of New York City history think they have learned master builder Robert Moses lost his long battle to urbanist Jane Jacobs over his planned Lower Manhattan Expressway The ten lane elevated expressway would have sliced across SoHo and Little Italy demolishing historic buildings and displacing thousands of families and businesses Jacobs and her neighbors defeated Moses and as a result New York became the only major American city with no interstate highway running through its core Like many global cities though New York had spent fifty years during the first half of the twentieth century trying and failing to tame its heavily populated landscape to fit the private automobile New York has now spent more than fifty years trying to undo those mistakes wresting back city space for people not cars Movement New York s Long War to Take Back Its Streets from the Car chronicles the earlier less known battles that preceded the cancellation of the Lower Manhattan Expressway Jacobs became

an example for generations of urban planners but whose example did Jacobs emulate in an earlier victory that saved Washington Square Park Moses may serve handily as New York's uber villain now but who before him was responsible for destroying a critical part of New York's transit system A well respected urban writer who has focused on New York's transportation system for more than a decade author Nicole Gelinas resumes the story where Robert Caro's landmark *The Power Broker* ended Movement explores how in the half century leading up to the COVID 19 pandemic New York's re-embrace of its mass transit system and a livable streetscape helped save the city Gelinas tackles the 1970s environmental movement the 1980s rebuilding of the subways and more contemporary battles from Mayor Bloomberg's push for more pedestrian plazas and bike lanes in the early 2000s to transportation advocates protests to prevent traffic deaths in the Mayor de Blasio era of the 2010s to how New York's stewardship of its streets and subways have played a critical role during the 2020 pandemic and subsequent recovery Introducing a cast of transportation heroes to rival Jane Jacobs Shirley Hayes Hazel Henderson Richard Ravitch Nilka Martell and puncturing the myth of Moses as New York's anti hero Movement explores how New York City has helped redefine what it means to be a global city not a place that is easy to drive through but a place where people can take transit walk and bike to work to school or just for fun *Selling Food with DoorDash* Silas Meadowlark, 2023-06-10 The Ultimate Guide to Launching Your Virtual Restaurant on DoorDash In the ever evolving landscape of the food industry the surge of virtual restaurants has revolutionized the way we understand dining The Ultimate Guide to Launching Your Virtual Restaurant on DoorDash is your comprehensive handbook to navigate this dynamic industry and establish a successful virtual restaurant on the popular platform DoorDash Crafted with insights from industry experts this guide presents a step by step approach to starting and managing your virtual restaurant It walks you through the entire journey from conceptualizing your restaurant to scaling it for growth with a keen focus on leveraging the DoorDash platform to its fullest Highlights of the book include Understanding the virtual restaurant landscape and the DoorDash platform Developing a unique restaurant concept and a tantalizing menu Creating an optimal pricing strategy Delivering excellent customer service in the digital age Maximizing your DoorDash presence through strategic marketing Scaling your virtual restaurant and maintaining operational efficiency Staying ahead of the curve by identifying future trends in the industry Whether you're an aspiring entrepreneur or an established restaurant owner looking to expand into the digital domain this guide provides you with the necessary tools strategies and knowledge to thrive in the world of virtual restaurants It's time to seize the opportunity and start cooking up your DoorDash success story [20 Quick and Easy Ways to Make Money with DoorDash](#) Trevor Clinger, 2025-08-16 If you've ever wondered how to turn your spare time into extra cash 20 Quick and Easy Ways to Make Money with DoorDash is your go to guide for fast actionable strategies Whether you're looking to boost your weekly income pay off debt or save for something special this book reveals insider tips to help you maximize your earnings as a Dasher You'll learn how to choose the most profitable delivery times find high demand areas stack orders efficiently and
