The Threads of Life Donato DiCristino, 2010-09-18 Have you ever felt lost Have you ever felt confused Have you ever felt angry Have you ever felt used I am sure that you have Do you think of fate Do you think of love Do you dream of a break Do you wonder what s above I am sure that you do I could probably go on listing countless things that we as human beings either think feel and or act upon I call these things threads Each one of us is a spool of thread and with each encounter journey burden etc a piece of our thread unravels Some of us may have enough thread to last for generations some only for a short while but we are all connected When we re all sewn together we create a beautiful tapestry which encompasses a wide variety of story The Threads of Life is my story Take my hand and place yourself inside the story Take from it all that I have given and know that no matter how dark and difficult things seem there is always resolution in the end
