MY LIFELONG JOURNEY TO THE PROMISED LAND George Mozes,2024-11-05 Every man is a Moses He wants to see the Promised Land in his own lifetime a poster that the author hung in his office at all the places he worked over the past forty five years Like many others George Mozes had a long and strenuous journey on the road to his Promised Land Watch him as a child and young adult in communist Romania being labeled as an undesirable with an unhealthy origin and castigated for being born into a bourgeois middle class family Heed his struggles to overcome the roadblocks set up by communists and anti Semites Root for him as he plans and carries out a daring escape to Vienna Austria Applaud him as he prospers makes his mark in America and reaches his Promised Land at eighty one years old Most importantly take advantage of the many lessons learned that George has shared in this book It is the author s fervent hope that readers will use some of these lessons to reach their own Promised Land

From Entitlement to Engagement:

Affirming Millennial Students' Egos in the Higher Education Classroom Dave S. Knowlton,Kevin Jack Hagopian,2013-09-12 This volume addresses theories and practices surrounding the entitled self absorbed students called Millennials Stereotypical Millennials are often addicted to gadgets demand service more than education and hold narrow perspectives about themselves and those around them when seen through this lens Millennial students can understandably frustrate the most dedicated of professors The contributors show how new and better educational outcomes can emerge if professors reconsider Millennials First and foremost many of these students simply don t fit their stereotype Beyond that the authors urge faculty to question commonly held assumptions showing them how to reevaluate their pedagogical practices relationships with students and the norms of college classrooms Contributors focus on practical means to achieve new and more evocative outcomes by treating Millennial students as serious collaborators in the learning process thereby helping those students to more closely identify with their own education The assignments that professors give the treatment of topics that they broach and the digital tools that they ask students to employ can shift students concerns away from a narrow focus on impersonal technical mastery of content and toward seeing themselves as Millennial thinkers who fuse their lives with their learning This is the 135th volume of this Jossey Bass higher education series New Directions for Teaching and Learning offers a comprehensive range of ideas and techniques for improving college teaching based on the experience of seasoned instructors and the latest findings of educational and psychological researchers
