in Paul's Letters*

Clinton E. Arnold

Powers Of Darkness Principalities And Powers In Pauls Letters

Douglas Harink

Powers Of Darkness Principalities And Powers In Pauls Letters:

Powers of Darkness Clinton E. Arnold, 2025-06-12 Satan worship Witches New Age channelers The last two decades of the twentieth century witnessed a vast upsurge in occult activity Scores of popular books have warned Christians of the dangers and urged them to do battle against these spiritual forces Few books however have developed a careful biblical theology on demons principalities and powers Clinton Arnold seeks to fill this gap providing an in depth look at Paul s letters and what they teach on the subject For perspective he examines first century Greek Roman and Jewish beliefs as well as Jesus teaching about magic sorcery and divination Arguing against many recent interpretations that have seen principalities and powers as impersonal social economic and political structures Arnold contends that the New Testament view is that such forces are organized personal beings which Jesus defeated at the cross and will bring into full subjection at his return In his concluding section Arnold suggests practical ways in which Christians today can contend with the forces of evil Powers of Darkness is a thoughtful biblical look at an urgent challenge facing the church

Religious Experience of the Pneuma Clint Tibbs, 2012-04-26 This book explores the Christian religious experience of the pneuma given in 1 Corinthians 12 and 14 The experience Paul mentions in these texts as well as the mention of spirits in three different places suggest that Paul was actually writing about communicating with the spirit world

Expository Notes on Paul's Letter to the Ephesians John Allfree, 2017-11-05 This is a reprint of Bro John Allfree s notes on the Epistle to the Ephesians They were first produced in 1973 to accompany series of talks given at a Bible Study Weekend in Toronto They achieved a limited circulation in North America and were then serialise in the Bible Student Magazine and in 1978 were published in book form by VCE Publications Canada They have been out of print for some years but have been reprinted in response to requests for their republication The book represents an attempt to expound the principal themes of the Epistle to the Ephesians and is not intended to be an exhaustive exegetical verse by verse commentary The final chapter seeks to extract from the apostle s words counsel to meet the needs of the 21st century disciple and encouragement to those who seek to be strong in the Lord and in the power of his might

New Documents Illustrating Early Christianity S. R. Llewelyn, J. R. Harrison, E. J. Bridge, 2012-11-29 Collecting documentary evidence that appeared in publications between 1988 and 1992 volume 10 reproduces translates and reviews a selection of Greek inscriptions and papyri that focus on major social institutions of the time A comprehensive series of indexes for volumes 6 10 offers a cumulative perspective on many topics Page 4 of cover

Paul Among the Postliberals Douglas Harink, 2013-08-14 This book is changing my mind on more themes than any publication since Hans Frei s The Eclipse of Biblical Narrative George Lindbeck Yale University Harink brings several postliberal theologians mainly Yoder and Hauerwas into genuine conversation with the church s original apocalyptic theologian the Apostle Paul The engaging result is a call for the church to return to its true vocation as an uncompromising critic of the state s omnivorous appetite for our loyalties But that is the vocation found in the politics of the cross in which the suffering and victorious God has redemptively

invaded the captive world thus calling into being the community that Paul speaks of as the new creation The attentive reader of Harink s book will come away then with an energized hope for the whole of humanity a hope focused on the corporate political nature of God s apocalyptic invasion in Christ J Louis Martyn Union Theological Seminary Sets new standards for all who dare to aspire to theological engagement with Scripture Michael Cartwright University of Indianapolis Doug Harink has knocked a hole in the artificial wall separating the theological disciplines and has established a working coalition between two scholarly enterprises the various new perspectives that seek to supplant older reformational models of interpreting Paul and the work of various theologians who seek to subvert the established theological strategy of accommodating the gospel to the canons and criteria of modernity A unique and highly significant contribution Terence L Donaldson Wycliffe College University of Toronto One of the most creative and exciting books that I have read in years Instead of decrying the gap between theology and biblical studies Harink simply closes the gap by bringing together the best in recent biblical and theological studies In its direct reading of the biblical text this book represents a new stage in the development of postliberal theology Jonathan R Wilson Westmont College Anti-Roman Cryptograms in the New Testament Norman A. Beck,1997 It is quite easy to recognize coded messages of hope for the end of Roman persecution within the Book of Revelation Fallen fallen is Babylon the great the wicked harlot who is seated upon many waters clearly refers to the city of Rome The more skillfully constructed more subtle and effective anti Roman cryptograms discreetly placed throughout most of the other documents of the New Testament however present a much more formidable challenge to modern readers These symbolic messages of hope and liberation are the subject of the present study the first concerted analysis of these cryptograms **In the Name of Jesus** Graham H. Twelftree,2007-10 This volume offers a comprehensive examination of both historical and theological aspects of exorcism in Christianity s first two centuries **Sunday Mornings with My Flock, on St. Paul's Letter to the Colossians: a Series of Discourses Forming an Exposition of that Epistle. By James Spence. [With the Text.]** James Spence (D.D., Independent Minister.),1875 **Powers of Evil** Sydney H. T. Page,1995 Books on the demonic abound but not until Sydney H T Page s Powers of Evil has there been such a comprehensive biblical analysis of Satan and demons Powers of Evil offers an exposition of every biblical reference to the demonic and analyzes historic and modern views Page interprets particular passages from which some Bible readers have leaped to false conclusions Studies of Jesus confrontations with demons and of the exorcisms recorded in the Gospels and Acts examine the interplay of power and authority and the implications for the believer s stand in Christ The Powers of Darkness Bound Neil Forsyth,1976
New Testament Abstracts ,1992 **The Spirit World in the Letters of Paul the Apostle** Guy Williams,2009 This book provides a comprehensive and critical examination of the role of spiritual beings in the authentic Pauline epistles the first work to give an exhaustive and systematic account in recent years Contrary to the views of many scholars that spirits are trivial or irrelevant within Paul s writings this monograph argues that they are inherent features of the letters Read within

their historical and cultural context the epistles can be seen to participate in widely held assumptions about the role and influence of spiritual powers This argument allows for a fresh perspective on a neglected theme allowing for a re evaluation of aspects of Paul s letters Part One sets out the problems of interpreting the spirit world with reference to the agendas of modern scholars and ancient readers Part Two then examines angelology and demonology progressing through the main inhabitants of the Pauline spirit world angels Satan demons powers etc Finally Part Three sets out the key thrust of the argument the spirit world may be regarded as inherent in the letters because it is integrated into major Pauline themes This thesis is put forward by analysing the role played by spirits in helping to shape three areas of concern for Paul his Christology soteriology and sense of community Such an integrated approach yields a new way of perceiving the place and importance of spirits not as a major or minor doctrine but as an axiomatic and cultural idiom in the Pauline texts

Backgrounds of Early Christianity Everett Ferguson,1993 Widely used as a textbook since its publication in 1987 this work provides an analytical and systematic introduction to the Roman Greek and Jewish political social literary and religious backgrounds necessary for a historical understanding of the New Testament in the early church *The Transforming Word* Mark W. Hamilton,2009 This is the first one volume Bible commentary edited by ACU faculty More than 30 contributors from various branches of the Stone Campbell movement were selected all of whom hold or are pursuing a doctoral degree in biblical studies Readers will find a usable introduction to each book and each section without being bogged down by every possible detail A bibliography will direct those who want to explore topics more in depth In illuminating the biblical texts the authors of this commentary draw on their knowledge of the original languages and a deep awareness of the literary shape and flow of the Bible the relevant archaeological and textual evidence from the ancient Near East or Greco Roman worlds and the history of biblical interpretation ancient medieval and modern Publisher **Neotestamentica** ,1999 Vols for 1967 1968 1971 1983 constitute Proceedings of the meeting of Die Nuwe Testamentiese Werkgemeenskap van Suid Afrika

Shamanism in Korean Christianity Nam Hyuck Jang,2004 **Forthcoming Books** Rose Arny,1992 **Revealing the Mysterion** Benjamin L. Gladd,2008 Scholars largely agree that the NT term mysterion is a terminus technicus originating from Daniel This project traces the word in the Dead Sea Scrolls and other sectors of Judaism Like Daniel the term consistently retains eschatological connotations The monograph then examines how mystery functions within 1 Corinthians and seeks to explain why the term is often employed The apocalyptic term concerns the Messiah reigning in the midst of defeat eschatological revelations and tongues charismatic exegesis and the transformation of believers into the image of the last Adam **Angels Dark and Light** Gary Kinnaman,1994 In *Angels Dark and Light* Gary Kinnaman provides a thoroughly biblical guide to the world of angels He pulls back the curtain on this fascinating supernatural phenomenon exploring the nature and purpose of these heavenly encounters He includes stories about ordinary people who have experienced angelic visitors *The Divine Council in Late Canonical and Non-canonical Second Temple Jewish Literature* Michael S.

Heiser, 2004
