which support young people on their path to autonomy as active citizens mindful of everyone's human rights. Gender Matters is a manual to address gender-based violence with young people. It provides insights into gender and gender-based violence, background information to key social, political and legal issues, and especially educational activities and methods for education and training activities with young people. Gender Matters should be used as a practical resource in guiding young people to become more aware of their own actions and the actions of others. It contributes to a better understanding of how to stay safe and secure and how to support those who have experienced violence in their lives. It will not suffice to eradicate gender-based violence. However, it is a necessary and urgent step towards dignity for all.
