Mlb Playoffs Target Today:

Astros and Asterisks Jonathan Silverman, 2023-07-18 An in depth and multiperspectival look at the Astros sign stealing scandal and its roots in the culture of baseball fandom In 2017 the Houston Astros won their first World Series title a particularly uplifting victory for the city following Hurricane Harvey But two years later the feel good energy was gone after The Athletic revealed that the Astros had stolen signs from opposing catchers during their championship season perhaps even during the playoffs and World Series Their methods were at once high tech and crude staff took video of opponents pitching signals and transmitted the footage in real time to the Astros dugout where players banged on trash cans to signal to their teammates at bat which pitches were coming their way Wry observers labeled them the Asterisks pointing to the title that no longer seemed so earned Astros and Asterisks examines the scandal from historical journalistic legal ethical and cultural perspectives Authors delve into the Astros winning above all attitude cultivated by a former McKinsey consultant the significance of hiring a pitcher recently suspended for domestic abuse the career ending effects of the Astros transgression on opposing players and the ethically fraught choices necessary to participate in sign stealing Ultimately it links the Astros choices to the sporting world's obsession with analytics What emerges is a sobering tale about the impact of new technology on a game whose romanticized image feels increasingly incongruous with its reality in the era of big data and video Soft Target Michael Levin, 2007-03 Happy go lucky U S President James Jimmy Hendricks has a big problem He's supposed to sell America on a new anti terror bill but his Chief of Staff who doesn't trust him won't let him even read it Meanwhile a dying Supreme Court Justice secretly gives his sole clerk Abigail Johnson orders to declare the bill unconstitutional should it reach the Court Suddenly everyone from the President to the FBI to the terrorists themselves want to find out who Abigail Johnson is before she gets to cast the vote that changes the nation Trust us it's funnier than it sounds here Praise for Michael Levin's Previous Novels Levin's verbal humor glistens The New Yorker Lively with the indignation of a bright young man The Washington Post Outrageous passionate funny entertaining satirically engaging so amusingly complex that one can't help getting caught up by its machinery The New York Times Christopher Lehmann Haupt A marvelously complex plot a thoroughly good time Sunday New York Times Book Review Irresistible It's hard not to get caught up in the frenzy Los Angeles Times A master of complex plotting Booklist **Encyclopedia of Sports Management and Marketing** Linda E. for his sport He has also transformed many an average Joe into a walking weapon of destruction Wertheim intertwines Miletich's own life story by turns tragic and triumphant with the larger story of the unholy rise of the UFC from its controversial back alley roots to the fastest growing sports enterprise in America Blood in the Cage takes readers behind the scenes right down to the mat from a punch in the kidney to the ping of the cash register as Wertheim brilliantly exposes the no holds barred reality of the blood sport for a new generation **Mediaweek** ,2009-10 *Broadcasting* ,1981-09
