[A Novel.].** Edna LYALL (pseud.),1894 *Narrative Ontology* Axel Hutter, 2021-11-18 This book is a critical inquiry into three ideas that have been at the heart of philosophical reflection since time immemorial freedom God and immortality Their inherent connection has disappeared from our thought We barely pay attention to the latter two ideas and the notion of freedom is used so loosely today that it has become vacuous Axel Hutter s book seeks to remind philosophy of its distinct task only in understanding itself as human self knowledge that articulates itself in these three ideas will philosophy do justice to its own concept In developing this line of argument Hutter finds an ally in Thomas Mann whose novel Joseph and His Brothers has more to say about freedom God and immortality than most contemporary philosophy does Through his reading of Mann's novel Hutter explores these three ideas in a distinctive way He brings out the intimate connection between philosophical self knowledge and narrative form Mann's novel gives expression to the depth of human self understanding and thus demands a genuinely philosophical interpretation In turn philosophical concepts are freed from abstractness by resonating with the novel s motifs and its rich language Narrative Ontology is both a highly original work of philosophy and a vigorous defence of humanism It brings together philosophy and literature in a creative way it will be of great interest to students and scholars in philosophy literature and the humanities in general To Right the Wrong Edna Lyall, 1894 The Life and Death of Hertzan Chimera Mike Philbin, 2005-09 Hertzan Chimera died on the 14th of August 2004 after fourteen years typing like a madman He will be remembered one hopes for his extreme short stories and subversive books that tried to break away from rational thought and tedious 3 act structure works that tore down the barriers of taste and exploded the fixed genres writers find themselves having to cater to Includes exclusive H C interviews with Jack Ketchum Tom Piccirilli Edward Lee Charlee Jacob and others Public Opinion ,1892 The
