*Right Church, Wrong Pew* Walter Stewart,1990      *Leave No Child Behind* James Comer,2008-10-01 The call to arms to leave no child behind in America has become popularly associated with the Bush administration's education plan a plan that actually diverges greatly from the ideals of the Children's Defense Fund which originated the concept Here in a bold and engaging new book Dr James Comer reclaims this now famous exhortation as a tool for positive and substantive change Far removed from the federal government's focus on standardized testing as the panacea for our educational ills Dr Comer's argument drawn from his own experiences as the creator of the School Development Program urges teachers policymakers and parents alike to work toward creating a new kind of school environment In so doing Dr Comer reignites a crucial debate as he details the evolution and many successes of his School Development Program since its inception thirty five years ago and he illustrates how his model for change has proven effective in public schools throughout the country Most important he offers proof that students from all backgrounds can learn at a high level adopt positive behavioral attitudes and prepare for a fulfilling adult life if they learn in schools that provide adequate support for their complete development schools that know that leaving no child behind should be much more than just a convenient political slogan      [Right Church, Wrong Pew](#) [sound Recording] Paul Stewart,Walter Stewart,1991      **You Can't Win a Race With Your Mouth** Howard A.
