Righteous Blood:

Blood Mysteries Dr. Victor T. Nyarko, 2024-03-10 Every religion on earth godly or ungodly Christianity occultism and satanic religions all respects blood and have something in one way or the other to do with blood The Bible is a bloody book because blood is central to both the Old and New Testaments After man sinned in the garden the story of man s redemption has been a journey that began with the shedding of blood in Eden and ended with blood at Calvary We have been taught about blood and how that blood is powerful There are more religious songs about power in blood than any other subject but what the church have not looked much into is the revelation of what makes blood powerful Is it the usual red color of blood Pre suppose the blood of Jesus wasn t shed at all will there still be any power at all in bloods in general that were shed before the crucifixion of Christ This books takes the reader on an intriguing journey about mysteries in blood from a biblical perspective

A Ransom for Israel Nicholas J. Schaser, 2025-05-09 In this study of the Gospel of Matthew Nicholas J Schaser proposes that Matthew intended to narrate the corporate salvation of ethnic Israel rather than its replacement by an ethnically diverse Christian church Instead of presenting Jesus as a new Israel to replace the old Matthew highlights Jesus s salvific value in exchange for the nation of Israel when he dies as a ransom for their sins This book presents one of the most comprehensive challenges to the prevalent interpretation that Matthew locates Israel in an ongoing exile from which Jesus offers redemption only if they follow him Rather the gospel when read alongside Israel s Scriptures presents Israel at risk of an eschatological exile from God s kingdom and Jesus removes his people s exile inducing sins by being cast out in their place Schaser s compelling reading has the potential to open new dialogue between Jews and Christians

Gospel means good news Jews would associate this good news with Isaiah 52 7 Non Jews would think of the good news of an emperor s accession to power birthday visit to a city military victory or bringing of prosperity to the empire But Mark s good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out not a book though because books like Mark s contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel Reading Lamentations Intertextually Heath A.
