Ring Of Fire And Other Stories:

Isabel Wyatt,2020-04-30 Once upon a time there was a kingdom of beautiful colours In the middle of it stood a cloud mountain and from the top of the cloud mountain you looked down on a wonderful rainbow shining green and blue and yellow The King must go on a long journey so asks his four sons to care for the kingdom of beautiful colours But the youngest prince has his own ideas about how that should be done The Kingdom of Beautiful Colours is just one of seven wonderful tales in this collection by master storyteller Isabel Wyatt The stories are full of ivory towers great forests golden lands and the star of the sea which will inspire and enchant any child Suitable for children aged nine and up this is a classic collection from the author of The Seven Year Old Wonder Book A new revised edition previously published as The Book of Fairy Princes

Looking for Lionel and Other Stories Paul V. Walters,2015-07-30 Looking For Lionel is a deviation for Walters whose Savage Trilogy captivated readers across the globe This quirky and intriguing collection of short stories and previously published essays are a delight to read From the heart wrenching Looking For Lionel Refugee and First Love to the hilarious Le Grand Caf Heavenly Summit and Burying Izzy Lazzard these stories are sure to entertain the reader looking for something different Walters has the ability to capture the true essence of the short story and this anthology will take you on a journey to faraway places where the plot lines drag the reader into a world of flawed characters and bizarre situations Looking For Lionel is a must for anyone who has a love of the short story narrative Every one of these stories is a superbly nuanced snapshot Walters proves he is an adept raconteur on every level Alana Woods The Sydney Morning Herald and The Australian Grantville Gazette Eric Flint,2004-11 A story collection continues the saga that began in 1632 and 1633 describing life for the inhabitants of Grantville an American town from West Virginia that finds itself hurtled back in time and into the middle of the Thirty Years War as they struggle to bring their advanced technology to the seventeenth century Includes a section of articles exploring different scientific questions and conundrums raised by the Eric Flint series The Secret Martians and Other Stories Jack Sharkey,2016-01-11 MASTER SPY OF THE RED PLANET Jerry Delvin had a most unusual talent He could detect the flaws in any scheme almost on sight even where they had eluded the best brains in the agency where he worked So when the Chief of World Security told him that he had been selected as the answer to the Solar System s greatest mystery Jerry assumed that it was because of his mental agility But when he got to Mars to find out why fifteen boys had vanished from a spaceship in mid space he found out that even his quick mind needed time to pierce the

maze of out of this world double dealing For Jerry had become a walking bomb and when he set himself off it would be the end of the whole puzzle of THE SECRET MARTIANS with Jerry as the first to go Jack Sharkey decided to be a writer nineteen years ago in the Fourth Grade when he realized all at once that someone wrote all those stories in the textbooks While everyone else looked forward variously to becoming firemen cowboys and trapeze artists Jack was devouring every book he could get his hands on figuring that if I put enough literature into my head some of it might overflow and come out After sixteen years of education Jack found himself teaching high school English in Chicago a worthwhile career but not what one would call zesty After a two year Army hitch and a year in advertising sublimating my urge to write things for cash Jack moved to New York determined to make a career of full time fiction writing Oddly enough it worked out and he now does nothing else He says I d like to say I do this for fulfillment or for cash or because it s my destiny however the real reason same as that expressed by Jean Kerr is that this kind of stay at home self employment lets me sleep late in the morning

The German Lieutenant And Other Stories August Strindberg, 2024-01-02 August Strindberg s The German Lieutenant and Other Stories is a set of intriguing testimonies that explore the intricacies of human nature cultural standards and the existential problems of individuals in late 19th century Sweden The stories in the anthology feature a broad forged of characters and locales each exploring issues of affection betrayal identity and the human situation From the name tale The German Lieutenant which follows the tragic romance among a Swedish girl and a German officer stationed in Sweden to stories of social critique and mental introspection together with The Admiral The Outlaw and The Painter Strindberg weaves a rich tapestry of narratives that captivate and intrigue readers Strindberg s descriptive fashion and evocative descriptions allow readers to explore the complexities of human relationships and society traditions often thinking commonplace norms and expectancies Whether analyzing the depths of human emotion or the ramifications of societal injustice every story within the book gives insight into the complexity of the human experience Tales in Colour and Other Stories Kunzang Choden, 2012-06-25 These deceptively simple stories uncover both the complexity and irony of women s lives in Bhutan today They show how ordinary lives choices and experiences are both remarkable and poignant In I am a Small Person a despised woman uses her femininity as a means to control a man the young girl in I Won t ask Mother suddenly feels empowered and confident when she makes a decision without consulting her mother All the stories take place in rural settings to which creeping urbanisation brings gradual change and tensions surface between the new and the old or the traditional and the modern For many rural women being able to connect to the city and all its perceived power and glamour is a very real aspiration This yearning is exemplified in Look at her Belly Button where a young woman effortlessly slips out of the role of a farmer to become a real Bhutanese urbanite Published by Zubaan *The Unharnessed World* Cindy Gabrielle, 2015-06-18 Though New Zealand author Janet Frame 1924 2004 lived at a time of growing dissatisfaction with European cultural models and though her auto biography fiction and letters all testify to the fact that a direct encounter between herself and Buddhism

occurred her work has so far never been examined from the vantage point of its indebtedness to Buddhism It is of the utmost significance however that a Buddhist navigation of Frame s texts should shed fresh light on large segments of the Framean corpus which have tended to remain obdurately mysterious This includes passages centering on such themes as the existence of a non dual world or a character s sudden embrace of a non ego like self Of equal significance is the conclusion one then draws that this unharnessed world which human beings are often unable to embrace has always been right under their nose for whenever the aspect of the intellect that filters perceptions into mutually excluding categories fails to function he or she finds a place of subjective arrival in and sees this supposedly unknowable beyond Thus possibly against the grain of mainstream criticism this study argues that Janet Frame constantly seeks ways through which the infinite and the Other can be approached though not corrupted by the perceiving self and that she found in the Buddhist epistemology a pathway towards evoking such alterity *The Crucifix of Baden, and Other Stories, Original, Translated, and Selected* ,1896
