The Struggle Is Eternal Joseph R. Fitzgerald, 2018-12-14 Many prominent and well known figures greatly impacted the civil rights movement but one of the most influential and unsung leaders of that period was Gloria Richardson As the leader of the Cambridge Nonviolent Action Committee CNAC a multifaceted liberation campaign formed to target segregation and racial inequality in Cambridge

Maryland Richardson advocated for economic justice and tactics beyond nonviolent demonstrations. Her philosophies and strategies, including her belief that black people had a right to self defense, were adopted often without credit by a number of civil rights and black power leaders and activists. *The Struggle Is Eternal: Gloria Richardson and Black Liberation* explores the largely forgotten but deeply significant life of this central figure and her determination to improve the lives of black people. Using a wide range of source materials, including interviews with Richardson and her personal papers as well as interviews with dozens of her friends, relatives, and civil rights colleagues, Joseph R. Fitzgerald presents an all-encompassing narrative. From Richardson's childhood, when her parents taught her the importance of racial pride, through the next eight decades, Fitzgerald relates a detailed and compelling story of her life. He reveals how Richardson's human rights activism extended far beyond Cambridge and how her leadership style and vision for liberation were embraced by the younger activists of the black power movement who would carry the struggle on throughout the late 1960s and into the 1970s. [How To Be an Antiracist](#)

Ibram X. Kendi, 2019-08-15. Not being racist is not enough. We have to be antiracist. THE GLOBAL MILLION COPY BESTSELLER NOW REVISED AND UPDATED. In *HOW TO BE AN ANTIRACIST*, Ibram X. Kendi, one of the world's most influential scholars on racism, demolishes the idea of a post-racial society, punctures the myths and taboos that cloud our understanding of racism, and presents a radically new approach to tackling it. He shows how everyone is at times complicit in maintaining the structure of racism, though we rarely realise it, and gives us the tools to identify and change those behaviours. Uncompromising but essential, *HOW TO BE AN ANTIRACIST* sparked a new conversation about being antiracist around the world, showing that until we become part of the solution, we can only be part of the problem. Transformative and revolutionary. ROBIN DIANGELO, author of *White Fragility*. So vital. IJEOMA OLUO, author of *So You Want to Talk About Race*. It feels like a light switch being flicked on. Deliberation, Dismissal, and Democracy, DAVID SCHRAUB, 2025-11-07. *Deliberation, Dismissal, and Democracy* examines the common instinct to dismiss claims that make us uncomfortable rather than engaging in a deliberation of their merits. Focusing on dismissal as a primarily social rather than legal phenomenon, David Schraub identifies the problems that stem from the tendency to dismiss and proposes ways we can confront the hard thoughts that must be properly considered in a healthy democracy. **Labour History**, 2004. **Index to Black Periodicals 2003**, GK Hall, 2004. Burdened Virtues: Virtue Ethics for Liberatory Struggles Lisa Tessman, 2005-10-06 Lisa Tessman s Burdened Virtues is a deeply original and provocative work that engages questions central to feminist theory and practice from the perspective of Aristotelian ethics Focused primarily on selves who endure and resist oppression she addresses the ways in which devastating conditions confronted by these selves both limit and burden their moral goodness and affect their possibilities of flourishing She describes two different forms of moral trouble prevalent under oppression The first is that the oppressed self may be morally damaged prevented from developing or exercising some of the virtues the second is that the very conditions of oppression require the oppressed to develop a set of virtues that carry a moral cost to those who practice them traits that Tessman refers to as burdened virtues These virtues have the unusual feature of being disjoined from their bearer s own well being Tessman s work focuses on issues that have been missed by many feminist moral theories and her use of the virtue ethics framework brings feminist concerns more closely into contact with mainstream ethical theory This book will appeal to feminist theorists in philosophy and women s studies but also more broadly ethicists and social theorists
