Rise And Fall Of Liberal Government In Victorian Britain

Peter Wende

Rise And Fall Of Liberal Government In Victorian Britain:

The Rise and Fall of Liberal Government in Victorian Britain Jonathan Philip Parry, 1993 Liberalism was the dominant political force of Victorian Britain yet it remains an area relatively undocumented Between 1830 and 1886 a coalition of anti Conservatives known at various times as Whigs Reformers and Liberals were in office for over 40 years and lost only two out of fourteen general elections The argument of the book attributes much greater coherence to Liberalism than most previous historians have recognised and seeks to understand its stability and success by concentrating on parliamentary politics The author stresses the importance of parliamentary government as the key method of securing the rule of a propertied but rational diverse and civilised elite He examines the strategies of Grey Russell Palmerston Gladstone and others and concludes that Gladstone's idealist religious temper fatally diverged from the Liberal mainstream and led in 1886 to the destruction of the party

Die radikale Herausforderung Andreas Rödder, 2011-09-05 Die englischen Konservativen des mittleren 19. Jahrhunderts geben Rätsel auf Wie kam es dass sie 1867 eine Wahlrechtsreform durchsetzten die sogar weiter ging als die Forderungen der Reformliberalen Und was machte in der Umwälzungsphase zwischen ländlicher Gesellschaft und Industrienation ihren spezifisch konservativen Charakter aus In dieser Studie analysiert der Autor die wichtigsten Grundlagen des konservativen politischen Denkens und zeigt an Fallbeispielen auf was sie für das konkrete politische Handeln bedeuteten So gelingt es ihm den englischen Konservatismus als vor allem anti radikalen und zivilgesellschaftlich orientierten Radikal Konservatismus zu begreifen Die Wahlrechtsreform war in diesem Zusammenhang eine Vorwahrtsverteidigung um durch eine Demokratisierung der bestehenden Verhältnisse eine echte Demokratie zu verhindern

The Oxford Handbook of Modern British Political History, 1800-2000 David Brown, Robert Crowcroft, Gordon Pentland, 2018-03-29 The two centuries after 1800 witnessed a series of sweeping changes in the way in which Britain was governed the duties of the state and its role in the wider world Powerful processes from the development of democracy the changing nature of the social contract war and economic dislocation have challenged and at times threatened to overwhelm both governors and governed Such shifts have also presented challenges to the historians who have researched and written about Britain's past politics This Handbook shows the ways in which political historians have responded to these challenges providing a snapshot of a field which has long been at the forefront of conceptual and methodological innovation within historical studies It comprises thirty three thematic essays by leading and emerging scholars in the field Collectively these essays assess and rethink the nature of modern British political history itself and suggest avenues and questions for future research The Oxford Handbook of Modern British Political History thus provides a unique resource for those who wish to understand Britain's political past and a thought provoking long view for those interested in current political challenges

Triumph der Mitte Matthias Oppermann, 2020-02-10 Trotz des Gegensatzes zweier Parteien zunächst der Whigs und der Tories dann der Liberalen und der Konservativen war Großbritannien im 19. Jahrhundert von einer politischen Kultur der Mäßigung geprägt. Tr

ger dieser politischen Kultur war eine Gruppe von Politikern die stets den Mittelweg zwischen den Extremen suchten und als Liberal Tories bzw Liberal Conservatives bezeichnet wurden Das vorliegende Buch schließt eine Forschungslücke indem es die Entwicklung dieses britischen Liberalkonservatismus in der Zeit von 1750 bis 1850 untersucht und dabei zunächst die politische Philosophie Edmund Burkes in den Blick nimmt um dann zu zeigen wie die auf ihn folgenden Liberal Tories bzw Liberal Conservatives an sein Denken anknüpfen Es führt vor Augen wie Politiker wie George Canning und Sir Robert Peel ausgehend von Burke und der politischen Philosophie der Old Whigs eine Politik der Mitte führten die sich stets an den Tugenden der Mäßigung und der Klugheit orientierten Damit beleuchtet das Buch die konservative Variante des Liberalismus der Großbritannien das gesamte 19 Jahrhundert hindurch prägte

The Shaping of Modern Britain Eric Evans, 2014-01-14 In this wide ranging history of modern Britain Eric Evans surveys every aspect of the period in which Britain was transformed into the world's first industrial power By the end of the nineteenth century Britain was still ruled by wealthy landowners but the world over which they presided had been utterly transformed It was an era of revolutionary change unparalleled in Britain yet that change was achieved without political revolution Ranging across the developing empire and dealing with such central institutions as the church education health finance and rural and urban life *The Shaping of Modern Britain* provides an unparalleled account of Britain's rise to superpower status Particular attention is given to the Great Reform Act of 1832 and the implications of the 1867 Reform Act are assessed The book discusses the growing role of the central state in domestic policy making the emergence of the Labour party the Great Depression the acquisition of a vast territorial empire Comprehensive informed and engagingly written *The Shaping of Modern Britain* will be an invaluable introduction for students of this key period of British history

Für Frömmigkeit in Freiheit Gerhard Lindemann, 2011

The End of Middle Class Politics? Sotiris Rizas, 2018-12-17 The response of the middle classes to the financial crisis of 2008 is a central theme in the political systems of most developed Western countries This book approaches middle class politics from a historical perspective looking at its progression since the early 1900s The middle classes contributed significantly and in various ways to the evolution of mass politics in the West with middle class intellectuals oriented to social and political reform such as Leonard Hobhouse Herbert Croly and Leon Bourgeois influencing the setup of politics and the building of institutions in the early 20th century and with lower middle class disaffection fuelling protest politics in the 1890s and 1900s The rise of Fascism in the interwar period owed much to the perception of liquidation permeating the middle classes in the 1920s and the 1930s as a result of post World War I hardship and the Crash of 1929-31 Conversely mass affluence during the trente glorieuses was the result of the post World War II growth strategies adopted by conservatives and social democrats alike The rise of Thatcherism led to the emergence of a more consumerist and market oriented middle class that enjoyed a high living standard but was subjected simultaneously to the turbulences of globalization and the fluctuations of the markets Political realignments that are currently taking shape after the Crash of 2008 are related to the loss of status and purchasing

power of the vast middle class formed during the postwar years It is also of historical significance to compare various middle class responses in the 2010s to those to the Crash of the 1920s and 1930s Although authoritarianism and Fascism were the ultimate outcomes of interwar politics there were and still are viable democratic and socially inclusive alternatives The Decline of British Radicalism, 1847-1860 Miles Taylor, 1995 This wide ranging book one of the first major studies of British radicalism in the years between the collapse of Chartism in 1848 and the advent of Gladstonian liberalism in the 1860s explains how and why radicalism lost its hold over British politics The book begins by re examining the rise of radicalism in the 1830s and 1840s arguing that it was the 1832 Reform Act which invigorated radicalism by enlarging the powers of parliament and increasing the need for independent MPs As independents between the mid 1830s and the mid 1850s radicals alongside other liberals and reformers were invested with unprecedented influence in parliament in the constituencies and in the media During the 1850s events at home and in Europe undermined the radical ascendancy and paved the way for the moderate liberalism of the Gladstone years This is an original and comprehensive revision of mid nineteenth century radicalism and its influence on the origins of Gladstonian liberalism filling an important gap in our knowledge of Victorian political history **W.E.H. Lecky (1838-1903)** Benedikt Stuchtey, 1997 **Liberalism in Nineteenth Century Europe** Alan Kahan, 2003-08-07 Votes should be weighed not counted Nineteenth century liberals argued This study analyzes parliamentary suffrage debates in England France and Germany showing that liberals throughout Europe used a distinctive political language the discourse of capacity to limit political participation This language defined liberals and they used it to define and limit full citizenship The rise of consumer culture at the end of the century drove the discourse of capacity from politics but it survives today in education and the professions **Jahrbuch zur Liberalismus-Forschung**, 2006 Auf der Suche nach dem "wahren" Liberalismus Detlev Mares, 2002 **Grossbritannien 1500-2000** Peter Wende, 2001 Peter Wende verzichtet auf einen kompakten komprimierenden Abriss der britischen Geschichte zu Gunsten parallel angeordneter historischer L ngsschnitte zu den Themen Wirtschaft und Gesellschaft Verfassung und Machtstrukturen Religion und Kirche Gro britannien und Europa Empire und Commonwealth mit deren Hilfe die Geschichte des Auf und Abstiegs der britischen Weltmacht erschlossen wird Im Forschungsteil wird der Versuch unternommen in erster Linie die Ergebnisse eines vielf ltigen historischen Revisionismus zu pr sentieren der im Laufe der vergangenen zwanzig Jahre auf nahezu allen Gebieten und f r alle Epochen der neueren britischen Geschichte die Leits tze der klassischen englischen liberalen Geschichtsschreibung in Frage gestellt hat Der Autor Peter Wende war von 1994 bis 2000 Direktor des Deutschen Historischen Instituts in London Aus der Presse Das Buch das im Einklang mit den besonderen Interessen des Vf s die Fr he Neuzeit und die erste H lfte des 19 Jahrhunderts besonders intensiv behandelt ist eine gute Einf hrung f r das Studium der neueren britischen Geschichte und in die Auseinandersetzungen der Forschung ber deren Grundtendenzen in den letzten Jahrzehnten Gerhard A Ritter in Historische Zeitschrift 276 1 Februar 2003 **Königin Viktoria und ihre Zeit** E. J. Feuchtwanger, 2004 **Die Razzien**

in Marseille 1943 und die Propagandaphotographie der Deutschen Wehrmacht Meyer ahlrich,1996 **Europa auf dem Weg in die Moderne, 1850-1890** Lothar Gall,1997 *Freiheit und Unabhängigkeit als imperative Postulate* William O'Reilly,Andrea Penz,2006 *Liberalismus* Jörn Leonhard,2001 Das Deutsche Historische Institut in London wurde 1976 eröffnet und unterstützt Forschungen zur Neueren Geschichte besonders zur vergleichenden Geschichte von Großbritannien und Deutschland zur Geschichte des Britischen Empires und zu den deutsch englischen Beziehungen Die Veröffentlichungen publizieren entsprechend maßgebliche Forschungen zu diesen Themengebieten Weitere Informationen unter <http://www.ghil.ac.uk> **Das Historisch-politische Buch** Günther Franz,2007 **Cumulative Bibliography of Victorian Studies** ,1970
