Rising Out of Chaos Simon Peter Fuller,1996 Biblical Solutions to the Coming Crisis William Morris,2002 It appears that we are living on a run away planet that s heading for a crash course with destruction Is there a solution to the myriad of problems that plague us Today we are faced with problems that would make the ancient cities of Sodom and Gomorrah seem like picnic grounds Crime Violence and Immorality have reached an all time high We are faced with vicious acts of crime and violence such as was unheard of fifty or sixty years ago Every ten minutes at least one hundred people are killed or wounded by gun violence alone Each day over twenty are killed by drunk driving Then there s our ecological problems Polluted water Polluted air Nuclear waste Food contamination These are just some of the conditions that are the by products of The Cosmic Conflict that began in heaven and will soon come to a joyful and victorious climax for the children of God

A New Testament Commentary for English Readers Charles John Ellicott,1897 **The Coming of God** Jürgen Moltmann,Margaret Kohl,2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jurgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann s novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann s comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God
