Risk and Social Work C Paul Brearley,2023-07-28
First published in 1982 Risk and Social Work provides a useful framework for analysing risk in the social welfare context Surprisingly social work and other helping professions have hitherto given little attention to the use and meaning of risk although the term is frequently employed with clients and helpers being described as at risk or in danger The media have taken up these terms noticeably in cases involving child abuse the elderly and conditions in psychiatric institutions often at the expense of our image of the social services Paul Brearley s discussion of the analysis and management of risk in social work will therefore be of value to people working in the helping professions Mr Brearley begins by establishing a series of definitions drawing primarily from the commercial insurance field and from the literature on scientific and workplace hazards These definitions form the base for a framework of risk analysis which stresses the importance of values and the chance element in decision making about risk He shows how this framework can be used in practice in emergency and risky situations and looks at the management of hazards and uncertainty with particular reference to social work practice

Mental Health Services Today and Tomorrow: Perspective on policy and practice Charles Kaye,Michael Howlett,2008

Need, Risk and Protection in Social Work Practice Steve Hothersall,Mike Maas-Lowit,2010-05-06 This book provides a detailed and comprehensive guide to working with risk It begins by looking at

notions of need vulnerability and protection and looks at the theoretical concepts of each before applying them to practice By using this combination of theory and practice the authors are able to integrate policy for a wide range of services users from older people to children families and younger adults Case studies accompany and illustrate each method and the reader is invited to engage in a number of exercises and activities to consolidate learning **Supporting Lives Free from Intimate Partner Violence Towards Better Integration of Services for Victims/Survivors** OECD,2023-02-15 Many OECD governments regularly identify violence against women as the top gender equality issue their country faces Yet in all countries addressing this multifaceted issue presents serious governance and implementation challenges as victims survivors have complex needs both during and after experiences of violence *Risk and Risk Taking in Health and Social Welfare* Mike Titterton,2004-12-15 In this practical book Mike Titterton offers an innovative model of risk work in health and social care He argues that a thoughtful risk taking approach can lead to empowerment and greater independence for vulnerable individuals He also discusses contemporary definitions of risk and identifies the essential skills needed by professionals

Child Protection Assessment Following Serious Injuries to Infants Peter Dale,Richard Green,Ron Fellows,2005-11-18 The authors consider family contexts the nature and interpretation of injuries and offer specific recommendations for making sound decisions in child protection contexts **An Introduction to Family Social Work** Donald Collins,Catheleen Jordan,Heather Coleman,1999 This text provides beginning students with the knowledge and skills necessary for family social work Not a family therapy text it is intended for students who will work with families but who will not necessarily undertake advanced training in family therapy Chapters 1 and 2 present a philosophical perspective and provide an understanding of family functions Chapters 3 and 4 treat family assessment and Chapters 5 through 10 lead students through the actual process of working with families The concluding chapters discuss gender and culturally sensitive practice and cover special situations that family social workers may encounter in working with children and adults "Code of Massachusetts regulations, 2011" ,2011 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 **Boston Bar Journal** ,1991 "Code of Massachusetts regulations, 2016" ,2016 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 **Beyond the Risk Society** Gabe Mythen,Sandra Walklate,2006 Provides an understanding of the relevance and impact of the concept of risk in various subject areas This work is useful for social sciences students in a range of disciplines including sociology criminology cultural studies media studies psychology and social policy **"Code of Massachusetts regulations, 2015"** ,2015 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020
