Risk Taking:

Strategic Risk Taking Aswath Damodaran, 2008 Groundbreaking book that redefines risk in business as potentially powerful strategically to help increase profits bull Get out of your defensive crouch learn which risks to avoid which to mitigate and which to actively exploit bull Master risk management techniques that can drive competitive advantage increase firm value and enhance growth and profitability bull By Dr Aswath Damodaran one of the field s top gurus known worldwide for his classic guides to corporate finance and valuation Understanding Risk-Taking Jens O. Zinn, 2019-10-03 This book outlines and systematises findings from a growing body of research that examines the different rationales dimensions and dynamics of risk taking in current societies providing insight into the different motivations and social roots of risk taking to advance scholarly debates and improve social regulation Conceptually the book goes beyond common approaches which problematise socially undesirable risk taking or highlight the alluring character of risk taking Instead it follows a broadly interpretivist approach and engages in examining motives control routinisation reflexivity skills resources the role of identity in risk taking and how these are rooted in and framed by different social forces Zinn draws on qualitative studies from different theoretical and conceptual backgrounds such as phenomenology hermeneutics pragmatism feminism class analysis theory of practice and discourse analysis among others to outline key distinctions and concepts central to the understanding of risk taking It will be a key resource for everyone who is concerned with the understanding and management of risk taking in all kinds of social domains such as immigration youth leisure sports crime health finance and social policy *Taking Risks* Kenneth R. MacCrimmon, Donald Wehrung, W. T. Stanbury, 1988-09-19 Offers tests designed to measure one s willingness to take risks describes characteristics associated with this quality and discusses the importance of risk taking in management and investment situations *The Art of Risk-Taking* Atul Magoon, 2017-12-25 In this world of change risk is not loss it is actually gain There is a reason why the road less travelled often leads to success And that is because success and risk taking go hand in hand However thinking about taking risks and actually taking risks are two completely different things In today s world the difference between taking risks and avoiding them could mean leading an ordinary life as opposed to the life of your dreams So how do you ensure you pick the more difficult side to get the best returns The answer lies in Atul Magoon s *The Art of Risk Taking* an enlightening read about the importance of taking risks in an increasingly competitive world

Effective Risk Management. How can appropriate practices assist in minimizing risk? Patrick Wiget, 2020-10-19 Essay from the year 2019 in the subject Business economics Business Management Corporate Governance grade 67 University of Salford language English abstract This paper will analyze the concept of Risk Management The main aim lies in discussing how Risk Management can be achieved in the most effective way and additionally who in an organization will take responsibility for an effective management It will be argued that the question of how responsibility is distributed within an organization is central to the effectivity of Risk Management How is the risk measured ranked and outlined by the

organization and the management The author will outline a possible strategy on how to incorporate a risk management strategy in the form of a visual diagram into a project Finally it will be discussed how a professional execution of Risk Management can result in reducing the Risk its impact on the project and how an effective Risk Management system can be supported and sustained by proper communication throughout the organization *Strategic Risk Taking* Aswath Damodaran,2007-08-02 In business and investing risk has traditionally been viewed negatively investors and companies can lose money due to risk and therefore we typically penalize companies for taking risks That s why most books on risk management focus strictly on hedging or mitigating risk But the enterprise s relationship with risk should be far more nuanced Great companies become great because they seek out and exploit intelligent risks not because they avoid all risk Strategic Risk Taking A Framework for Risk Management is the first book to take this broader view encompassing both risk hedging at one end of the spectrum and strategic risk taking on the other World renowned financial pioneer Aswath Damodaran one of BusinessWeek s top 12 business school professors is singularly well positioned to take this strategic view Here Damodaran helps you separate good risk opportunities from bad risk threats showing how to utilize the former while protecting yourself against the latter He introduces powerful financial tools for evaluating risk and demonstrates how to draw on other disciplines to make these tools even more effective Simply put Damodaran has written the first book that helps you use risk to increase firm value drive higher growth and returns and create real competitive advantage Risk the history and the psychology The non financial realities you must understand to successfully manage risk Risk assessment from the basics to the cutting edge Risk Adjusted Value probabilistic approaches Value at Risk and more Utilizing the power of real options Extending option pricing models to reflect the potential upside of risk exposure Risk management the big picture Integrating traditional finance with corporate strategy and using risk strategically *Management* Arthur G.
