Heather Elizabeth Ingram

Risking It All My Student My Lover My Story:

Risking it All Heather Elizabeth Ingram, 2003 Heather Ingram was one of the most respected teachers at a British Columbia secondary school Trapped at age 30 in an unhappy relationship Ingram found herself increasingly drawn to 17 year old Troy a rebellious student Here in unstinting detail she describes their passionate relationship of several years duration that had the full support of Troy's family She reveals the pain of going public the loss of her job and status in the community her trial and conviction and the ten months she spent under house arrest This frank moving story offers an intimate look at why a teacher would risk everything and what it means to live as a convicted criminal for engaging in a consensual if unconventional relationship

Sexing the Teacher Sheila Cavanagh, 2007-05-10 Sexing the Teacher is a provocative study of public and professional responses to female teacher sex scandals in Canada the United States and Britain Sheila Cavanagh examines the moral and professional panic over sexual transgressions in the educational milieu by analyzing several sensationalized legal cases including Mary Kay Letourneau Amy Gehring and Heather Ingram Deploying queer theory psychoanalysis postcolonial theory and feminist film theory Cavanagh analyses deep seated anxieties about white female teacher sexualities and offers a critique of the damage that gets done in the name of child protectionism Arguing that foundational assumptions about race gender class sexuality and family are all central to the panic Cavanagh questions the conventional wisdom and politics governing our conceptualization of sex scandals in education She also demonstrates that public upset over female teacher sexual transgressions ostensibly about child welfare is also about the regulation of gender heteronormative and white reproductive futures a hidden curriculum in Western educational systems Timely original and controversial Sexing the Teacher will appeal to scholars and students in education sociology gender sexuality and cultural studies as well as to general readers interested in the sensationalism over school sex scandals that has dominated recent headlines
