Cecil Effinger Larry Worster, 1997-03-20 During his seventy six years Cecil Effinger participated in the tremendous expansion of the quantity and quality of art music in America Although he often called himself a contemporary composer his works have more in common with those of a more conservative current of writers such as Samuel Barber Roy Harris William Schumann and Leonard Bernstein The first part of the volume traces Effinger's life as a composer and also as an inventor something for which he was better known for a large part of his life He was renowned for the invention of the Musicwriter a typewriter for preparing quality music copy that

served the needs of musicians for three decades Worster examines Effinger's development as a composer from his early years in Colorado Springs to his service as a band leader in the Army Air Force his emergence as a prominent regional composer and finally to his retirement from teaching but not composing The second part of the book discusses his theoretical approach to composition and analyzes five of his works that are both stylistically representative and important A final section provides a complete catalog of resource materials that are contained in the Effinger archives of the American Music Research Center at the University of Colorado in Boulder including scoring publication and premiere performance information Includes 10 black and white photographs musical examples and tables A Guide to Piano Music by Women Composers: Women born after 1900 Pamela Youngdahl Dees, 2002 **Chou Wen-Chung** Peter M. Chang, 2006-02-09 Despite his original training as a civil engineer Chou Wen Chung came to America in 1946 to pursue music He became a protégé of Edgard Varèse and spent several decades teaching composing and advancing modern concepts in contemporary compositions Incorporating the teachings of his mentor yet retaining his own identity Chou is one of the few composers to successfully integrate images and ideas from both Eastern and Western culture His unique synthesis of the two cultures has challenged the American musical community to recognize and celebrate cultural differences setting Chou apart in contemporary American music as an exemplary of the Chinese musical idiom His founding of the Center for United States China Arts Exchange has furthered his exploration of cross cultural pollination This book examines the composer's life and music including biographic material an in depth cultural and musical analysis of his works and receptions of his music An assessment of Chou's unique contribution to contemporary musical synthesis a hallmark in twentieth century music draws a direct link between his cross cultural approach to composition and his family history and upbringing His quest for an original style by widening his musical and cultural experiences including consulting ancient Chinese sources on music and philosophy helped to solidify his place in the musical patchwork of contemporary America Also drawing a comparison between Chou's approach to musical synthesis and that of his Chinese colleagues author Peter Chang's discussion generates interest in cross cultural studies in contemporary music promoting multicultural awareness in America and abroad and enabling readers to understand different reactions to the Western impact on Chinese music and culture The book's appendixes list Chou's compositions and recordings and a chronology of performances The Handbook of Texas Music Roy R. Barkley, 2003 Although the Handbook of Texas Music devotes separate biographical articles only to deceased musicians important living artists such as Willie Nelson are treated in overview articles on topics such as Country and Western Music Willie Nelson's Fourth of July Picnic and others Jacket Music of Many Means Robert Erickson, John MacKay, 1995-11-08 Introduces musicians scholars and listeners to composer Robert Erickson providing the reader with insights into the creative process along with an objective analytical discussion of Erickson's works George Whitefield Chadwick Bill F. Faucett, 1996-03-19 In the nineteenth century American musical composition was dominated by European born composers and conductors who

emigrated to the United States Chadwick helped the cause of American composition by making distinctively American works acceptable in the concert hall A detailed analysis of the composer's six symphonic works imparts a sense of Chadwick's symphonic style This analysis reveals the change from an emulation of European masters to a completely personal and American style The critical response to Chadwick's work is exhaustively reviewed to provide insights into many aspects of the composer his music and his work as a conductor Includes two appendixes containing a list of performances of his symphonic works a complete roster of his compositions bibliography and discography **The World of Women in Classical Music**
Anne Gray, 2007 The Pandora Guide to Women Composers Sophie Fuller, 1994 In this ground breaking reference book Sophie Fuller provides accessible original and extensive information in an A to Z of over a hundred women composers from Britain and the United States covering the period from 1629 right up to the contemporary scene Each entry gives a flavour of the composer's milieu as well as her music to provide a fascinating insight into both her life and creative works Fuller examines the reasons why women composers have been so neglected reassesses their work in the light of recent scholarship both musicological and biographical and provides a critical frame of reference in which to place both the women and their music Book cover New Books on Women and Feminism , 1996 **American Book Publishing Record** , 1996
