Riding Western An Outfitters Life:

The Ride of Our Lives Mike Leonard, 2006-04-11 Mike Leonard is a lucky man It s not everyone who gets parents like Jack and Marge At eighty seven Jack is a pathological optimist with an inexhaustible gift of gab Marge Jack s bride of sixty years though cut from the same rough bolt of Irish immigrant cloth is his polar opposite pessimistic and proud of it What was their son Mike thinking when he took a sabbatical from his job with NBC News so he could pile these two world class originals along with three of his grown kids and a daughter in law into a pair of rented RVs and hit the road for a month Mike was thinking that he wanted to give his parents the ultimate family reunion And so one February morning three generations of Leonards set out on their journey under the dazzling Arizona sky Thirty minutes later one of the humongous recreational vehicles has an unplanned meeting with a concrete island at a convenience store Thus begins the adventure of a lifetime and an absolute gem of a book In the course of their humorous often poignant cross country tour from the desert Southwest to the New England coastline the Leonards reminisce about their loves their losses and their rich and heartwarming and sometimes heartbreaking lives while encountering a veritable Greek chorus of roadside characters along the way The home stretch finds the clan racing back to Chicago hoping to catch the arrival of the next generation Jack and Marge s first great grandchild Through it all Mike pieces together acentury of family lore and lunacy and discovers surprising sides to his parents that allow him to see them in a whole new light Mike Leonard has captivated millions of television viewers with his wry and witty feature stories for NBC s Today Now he brings that same engaging charm and keen insight to the foibles and passions of his own blessedly unique family By turns uproariously funny and deeply moving *The Ride of Our Lives* delivers a lifetime of laughs lessons and priceless memories This edition s exclusive DVD features never before seen footage from the trip as well as candid family video and photographs

Ride West William F. Martin, 2005-12-02 In a bygone era the cowboys of the Old West spent the best parts of their lives working to maintain cattle ranches to breed and raise livestock and to drive cattle to market The luckiest of those spent their time on the very ranch that their father and perhaps their grandfather had built living out hard earned legacies that gave them clear priorities and if they were truly fortunate more family to carry on when their time ended *Ride West* continues William Martins tale which is set within that era but even then there were men who had been cheated out of their rightful inheritances by others who were willing to use any means to get the land money and power they desired The survivors of our Old West werent always the proud nor the righteous often those left standing were among historys most sinister characters Having acknowledged the villains of this period it should be noted that Americas history also reveals a solid consistency in producing worthy opponents to themeach of whom has stood for our countrys most revered values Entering the world of Mr Martins first book *Stand Tough* and its sequel *Ride West* readers meet such a man Despite overwhelming odds Clint Mason reveals the power of one and single handedly sets out to defend what remains of his family and their land at all costs Experiencing Clints covert travails we see how sharp wits and sure

handed action can begin to conquer the unknown and the unjust Mr Martin wishes to acknowledge the inspiration provided by his favorite uncle the late Tom Weatherholt who was a professional truck driver by trade It was at the age of eight while accompanying his Uncle Tom on a trip from Kentucky to New York City sleeping aboard that big rig and eating at truck stops that the author was introduced to Zane Grey **Saddle and Ride: Western Classics - Boxed Set** Ernest
