Right Wrong Ways To Use The Bible:

Banned Questions About the Bible Christian D Piatt,2011-03-31 From Christian Piatt When I was a teenager my youth minister threw a bible at my head for asking questions Too often for various reasons people don t have the opportunity to ask the hard questions they have about faith religion salvation and the bible And when questions are left unanswered in communities of faith people either seek answers elsewhere or lose interest all together The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of experts who are challenged with responding in two hundred words or less in plain English This volume addresses challenging or controversial questions about scripture collected from people on Facebook MySpace Twitter and other social networking media Respondents include theology professors clergy lay leaders liberals conservatives and voices representing a spectrum of views The idea behind the books is not so much to provide definitive answers as it is to stimulate thought reflection and discussion By offering multiple perspectives readers have the opportunity to arrive at their own questions Better they come to understand that questioning faith is not taboo but rather that it can be at the foundation of a strong and growing faith The directive given to each respondent guided them to be concise and to speak in plain language but also not to rely exclusively on the Bible says it justifications or to wax abstract or overly intellectual Instead they write from personal experience as much as possible and provide real life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives

A course of Sunday school lessons on Christian faith and duty John Watson,1883 Levinas Faces Biblical Figures Yael Lin,2014-03-20 This collection of essays is an attempt to capture the drama of the encounter of the facing of Levinas and the biblical text It seeks to link Jewish experience and Levinasian themes such as responsibility substitution hospitality suffering and forgiveness and at the same time make the biblical text accessible in a new way The book offers new insights on the opening up of Levinas s thought and biblical stories to one another it considers the ways in which Levinas can open up the biblical text to questioning and how the biblical text can inform our reading of Levinas Setting up in dialogue the heteronomic texts the narrative texts of the bible and Levinas s philosophical texts allows an enforced and renewed understanding of both The examination of these issues is pursued from diverse perspectives and disciplines probing the role biblical figures play in Levinas s thought and the manner by which to approach them Do the biblical allusions serve in Levinas s thought merely as a rhetorical and literary device as illustrations of his ideas or perhaps they have a deeper philosophical meaning which contributes to his project in general Do the references to biblical figures work in Levinas s philosophy in a way that other literary figures are incapable of and how do these references comply with his conflicted attitude towards literature

Agwu,2022-08-01 Ultimate Salvation in the context of this writing speaks of the final and complete redemptive experience in the Christian faith and what it takes to participate in it It is the zenith of victory in the Christian race Christianity as a religion of redemption from sin and its consequences and a reconciliation with God through Jesus Christ It privileges believers in Christ to temporarily and partially enjoy the salvation received by faith in this world through diverse experiences in preparation for the eternal expectations Christ in one of his last instructions recorded in the Gospel of John 14 1aEUR4 told His followers He is going to prepare a place in heaven for them and others who will join them He said He will come back to take with Him to heaven everyone that believes in Him And that is the peak of the hope of the people of God in Jesus Christ Christian salvation is both immediate and progressive and it is only at the rapture of the saints living and dead shall the ultimate be consummated That being the case Christians need to understand that we are in the evil last days Ephesians 5 15aEUR16 when those hoping for the ultimate salvation need to purify themselves 1 John 3 3 to maintain the Lord's standard of holiness bearing in mind that the finishing line of the heavenly race is nearer now than before Romans 13 11 **The Living Church** ,1953 The Harvard Divinity School Bulletin Harvard Divinity School,1953 Religion and Ecology Whitney A.
